Compact Bedford Introduction To Drama 7th Edition

Lee A. Jacobus, Walter Creed

Compact Bedford Introduction To Drama 7th Edition:

The Compact Bedford Introduction to Drama Lee A. Jacobus, 2012-10-05 Offering a carefully chosen selection of plays from the ancient Greeks to the present including many new contemporary prize winners *The Compact Bedford Introduction to Drama* has the plays you want to teach and the features students need at a compact size and an affordable price Twenty eight chronologically arranged plays are illuminated by insightful commentaries and casebooks that enrich students contextual understanding and encourage critical thinking Concise introductions for each historical period and play emphasize theater design staging and acting style and a wealth of photographs and illustrations help students visualize plays in performance A fresh new design highlights the contextual features and additional help for students including a guide to writing about drama a glossary and new cross references to a robust companion Web site

The Bedford Introduction to Drama Lee A. Jacobus, 2001 The most comprehensive introductory drama anthology The 52 chronologically arranged plays represent every major period from the classical age to the present offering a strong selection of women and American multicultural playwrights and 15 choice contemporary plays In addition 95 commentaries give students a richer understanding of the plays and the contexts from which they emerge In depth treatment of 4 major playwrights and unique Cultural Casebooks Three plays by William Shakespeare and two plays each by Sophocles Henrik Ibsen and Tennessee Williams offer students a unique opportunity to study and write in depth about these major figures New to this edition unique Cultural Casebooks on *The Issue of Race* and *Othello* *The Woman Question in Late Nineteenth Century Drama* and *The Abbey Theatre and the Irish Literary Renaissance* enable students to think critically about a play or group of plays through a focused study of important cultural contexts The fullest complement of editorial features These include an extensive collection of theater photographs historical introductions a section on writing about drama a glossary of dramatic terms selected bibliographies an annotated list of film video and audiocassette resources and a Book Companion Web Site with study and discussion questions and writing suggestions

The Compact Bedford Introduction to Drama Lee A. Jacobus, 2000-09 Adapted from the fourth edition of *The Bedford Introduction to Drama* this abbreviated version provides students with all the features of the longer book in a briefer less expensive format

The Compact Bedford Introduction to Drama 4e + Poetry 3e Lee A. Jacobus, Michael Meyer, 2001-05-15

The Routledge Research Companion to Shakespeare and Classical Literature Sean Keilen, Nick Moschovakis, 2017-03-31 In this wide ranging and ambitiously conceived Research Companion contributors explore Shakespeare's relationship to the classic in two broad senses The essays analyze Shakespeare's specific debts to classical works and weigh his classicism's likeness and unlikeness to that of others in his time they also evaluate the effects of that classical influence to assess the extent to which it is connected with whatever qualities still make Shakespeare himself a classic arguably the classic of modern world literature and drama The first sense of the classic which the volume addresses is the classical culture of Latin and Greek reading translation and

imitation Education in the canon of pagan classics bound Shakespeare together with other writers in what was the dominant tradition of English and European poetry and drama up through the nineteenth and even well into the twentieth century Second and no less central is the idea of classics as such that of books whose perceived value exceeding that of most in their era justifies their protection against historical and cultural change The volume s organizing insight is that as Shakespeare was made a classic in this second antiquarian sense his work s reception has more and more come to resemble that of classics in the first sense of ancient texts subject to labored critical study by masses of professional interpreters who are needed to mediate their meaning simply because of the texts growing remoteness from ordinary life language and consciousness The volume presents overviews and argumentative essays about the presence of Latin and Greek literature in Shakespeare s writing They coexist in the volume with thought pieces on the uses of the classical as a historical and pedagogical category and with practical essays on the place of ancient classics in today s Shakespearean classrooms

Compact Bedford Introduction to Drama, 7th Ed. + Twelfth Night and Contexts Lee A. Jacobus, William

Shakespeare,2012-10-11 *Challenges and Prospects in African Education Systems* Soji Oni,2013-11-14 Challenges and Prospects in African Education System The general idea this book is trying to disseminate is to inform readers about the compelling challenges and prospects in African system of education As we all know when issues of Africa educational system is raised the first set of thoughts that come to mind is decline in standard deterioration of facilities examination malpractices cult crises or school based violence shortage of teachers underqualified teachers and poor teachers performance which results in poor learning standards lack of classroom discipline that is exacerbated by insufficient resources and inadequate infrastructure failure of appropriate inspection and monitoring and confusion caused by changing curricula without proper communication and training All these have led to massive demoralization and disillusionment among teachers and a negative and worsening perception of African system of education This therefore calls for in depth analysis aimed at tutoring every stakeholder in education on how their action and inactions have individually and collectively contributed to the collapsing state of education in Africa However the prospect is that Africas recovery and sustainable development can only be guaranteed through expansion and sustenance of both quantitative and qualitative of the continents stock of human capital through education In order for education to realize its key role in development it must be provided to the younger segments of African society as quickly as human and financial resources permit with the ultimate goal of developing a comprehensive meaningful and sustainable system of education at all levels and for all age groups This is the message that this book puts across in the six knitted sections **Ottomiller's Index to Plays in Collections** John Henry Ottomiller,Denise L. Montgomery,2011-08-11 The standard location tool for full length plays published in collections and anthologies in England and the United States since the beginning of the 20th century Ottomiller s Index to Plays in Collections has undergone seven previous editions the latest in 1988 covering 1900 through 1985 In this new edition Denise Montgomery has expanded the

volume to include collections published in the entire English speaking world through 2000 and beyond This new volume lists more than 3 500 new plays and 2 000 new authors as well as birth and or death information for hundreds of authors Representing the largest expansion between editions this updated volume is a valuable resource for libraries worldwide
