## **Creating Public Value Strategic Management In Government:**

**Creating Public Value** Mark H. Moore, 1997-03-25 A seminal figure in the field of public management Mark H Moore presents his summation of fifteen years of research observation and teaching about what public sector executives should do to improve the performance of public enterprises Useful for both practicing public executives and those who teach them this book explicates some of the richest of several hundred cases used at Harvard s Kennedy School of Government and illuminates their broader lessons for government managers Moore addresses four questions that have long bedeviled public administration What should citizens and their representatives expect and demand from public executives What sources can public managers consult to learn what is valuable for them to produce How should public managers cope with inconsistent and fickle political mandates How can public managers find room to innovate Moore s answers respond to the well understood difficulties of managing public enterprises in modern society by recommending specific concrete changes in the practices of individual public managers how they envision what is valuable to produce how they engage their political overseers and how they deliver services and fulfill obligations to clients Following Moore s cases we witness dilemmas faced by a cross section of public managers William Ruckelshaus and the Environmental Protection Agency Jerome Miller and the Department of Youth Services Miles Mahoney and the Park Plaza Redevelopment Project David Sencer and the swine flu scare Lee Brown and the Houston Police Department Harry Spence and the Boston Housing Authority Their work together with Moore s analysis reveals how public managers can achieve their true goal of producing public value

Crosby, Laura Bloomberg, 2015-02-13 **Advancing the Common Good in a Multi Sector Shared Power No One Wholly in Charge** World brings together a stellar cast of thinkers to explore issues of public and cross sector decision making within a framework of democratic civic engagement It offers an integrative approach to understanding and applying the con

**Public Value Management, Measurement and Reporting** James Guthrie, Giuseppe Marcon, Salvatore Russo, Federica Farneti, 2014-11-07 This volume aims to shed light on how public service value is identified managed measured and reported The chapters cover a range of topics including theoretical reflections practical case studies and empirical observations aimed at understanding the concept of public value

Governance Models for Creating Public Value in Open Data Initiatives Manuel Pedro Rodríguez Bolívar, Kelvin Joseph Bwalya, Christopher G. Reddick, 2019-05-07 This book relies on the conceptual model of Open Government OG focusing on transparency and concretely in open data initiatives at the local government context with the aim of improving participation and collaboration Most Open Government models are centered on three pillars transparency participation and collaboration Transparency is a crucial ingredient of OG and applied to data openness means to ensure that the data are well known comprehensible easily accessible and open to all new governance models based on different open data models have not been proposed up to now The chapter authors seek to contribute recent research to the discussion on governance models of open

data initiatives to support Open Governments with the aim of creating public value It includes both theoretical and empirical studies on governments models in open data initiatives **Public Value Theory and Budgeting** Usman W.

Chohan,2019-05-22 Public value theory has advanced over the past 30 years but there is a need to extend its boundary outwards into new contexts and update its discourse to reflect new social challenges We are now trying to create value in a globalized world with supranational entities with new international alliances and institutions in a frightening post truth era How can public managers grapple with these emerging realities This book seeks to provide answers to such public value questions by applying powerful budgeting perspectives Using case studies of independent budget offices key fiscal instruments and leading public value frameworks this book stands out in its use of budgetary lenses to answer pertinent questions about the multidimensional processes of value creation by and for a wider society Pushing the debate on public value forward and taking it onto the global stage the book asks whether public value and other public administration theories are applicable beyond the traditional context of the pro globalization Western liberal democracies in which they were conceived It does this by exploring the realms of developing countries supranational entities and post Communist societies among others Finally it presents these explorations in light of very recent sociopolitical trends and phenomena including the growth of civil society the global financial crisis the illiberal democracy and the post truth era Tailored to an audience comprising public administration scholars students of government budget practitioners and social scientists interested in contemporary problems of values in society this book helps to advance public administration thought by extending public value theory into new contexts and relating it to the growing global challenges of public life Proceedings of the 2023 2nd

While private for profit businesses have typically been the most experienced with entrepreneurship the study of public sector business models is coming to the forefront of entrepreneurial discussions This shift has allowed researchers and practitioners to expand on their knowledge of positive business choices and paved the way for more profitable business empires Public Sector Entrepreneurship and the Integration of Innovative Business Models is a comprehensive source of academic research that discusses the latest entrepreneurial strategies achievements and challenges in public sector contexts Highlighting relevant topics such as public management crowdsourcing municipal cooperation and public sector marketing this is an ideal resource for managers practitioners researchers and professionals interested in learning more about public sector business ideals and how these models are shaping positive entrepreneurial communities around the world *The Public Productivity and Performance Handbook* Marc Holzer, Andrew Ballard, 2021-07-25 A productive society is dependent upon high performing government This third edition of *The Public Performance and Productivity Handbook* includes chapters from leading scholars consultants and practitioners to explore all of the core elements of improvement Completely revised and focused on best practice the handbook comprehensively explores managing for high performance measurement and analysis costs and finances human resources and cutting edge organizational tools Its coverage of new and systematic management approaches and well defined measurement systems provides guidance for organizations of all sizes to improve productivity and performance The contributors discuss such topics as accountability organizational effectiveness after budget cuts the complementary roles of human capital and big data and how to teach performance management in the classroom and in public organizations The handbook is accompanied by an online companion volume providing examples of performance measurement and improvement manuals across a wide variety of public organizations *The Public Performance and Productivity Handbook Third Edition* is required reading for all public administration practitioners as well as for students and scholars interested in the state of the public performance and productivity field [Public Value and the Post-Pandemic Society](#) Usman W. Chohan, 2023-07-07 The destruction of the Covid 19 pandemic has marked every society with deep seated wounds whose scars have only begun to heal Yet even as societies take their first steps away from the trauma of the pandemic they confront new and perhaps equally daunting challenges in the post Covid era These challenges offer a unique occasion to consider how the mechanisms of public value PV creation and preservation can be rebuilt and improved mindful of what has been left in the pandemic s wake and of the difficult road that lies ahead The aim of this book then is to examine the forward looking possibilities of multi stakeholder value co creation which involves the renewed efforts of civil society public managers politicians and society at large in a new post pandemic era The book examines many different facets that appeal deeply to public value scholarship value stability transitions inequalities within between publics necropolitics disaster preparedness value measurement and sustainability all of which represent important explorations within public value theory and can greatly enrich PV research going forward This book will therefore be of use to both academics and practitioners of

public administration and public policy as well as scholars of government health care policy and economics [Public Value](#) John Benington, Mark Moore, 2010-11-30 This text provides a concise and internationalized restatement of the public value approach an assessment of its impact to date in theory and practice and of its particular relevance to the challenges of public management in a time of crisis and austerity **Philippine Legislative Governance Journal**, 2016-06 *Understanding Policy Success* Allen McConnell, 2010-08-11 Success and failure are key to any consideration of public policy but there have been remarkably few attempts to assess systematically the various dimensions and complex nature of policy success This important new text fills the gap by developing a systematic framework and offering an entirely new way of introducing students to policy analysis **Encyclopedia of Governance** Mark Bevir, 2006-12-13 The Encyclopedia of Governance provides a one stop point of reference for the diverse and complex topics surrounding governance for the period between the collapse of the post war consensus and the rise of neoliberal regimes in the 1970s This comprehensive resource concentrates primarily on topics related to the changing nature and role of the state in recent times and the ways in which these roles have been conceptualized in the areas of Political Science Public Administration Political Economy and Sociology **Bureau Men, Settlement Women** Camilla Stivers, 2000 Although the two intertwined at first the contributions of these settlement women to the development of the administrative state have been largely lost as the new field of public administration evolved from the research bureaus and diverged from social work Camilla Stivers now shows how public administration came to be dominated not just by science and business but also by masculinity calling into question much that is taken for granted about the profession and creating an alternative vision of public service [Introducing Public Administration](#) Jay M. Shafritz, Edward W. Russell, 2000 NEW Annotated bibliographies and related web sites at the end of each chapter NEW Sections on organization development in the Organization Behavior chapter and lying about sex in the Ethics chapter EXPANDED Coverage of government regulation Ch 1 EXPANDED Discussion of the nonprofit sector Ch 3 A readable and humorous text that receives high ratings from students Each chapter begins with a vignette or Keynote presented in a storytelling format These Keynotes are mini case studies that are often referred to in the chapter thus reinforcing the overall themes or lessons of the stories Chapters typically deal with historical and theoretical developments and then explain how relevant concepts and practices are applied in the varying levels of government and in varying cultures Hundreds of boxed quotes from public administrators charts graphs and photos give the text a student friendly and engaging design **American Theatre**, 2004 [Radical Reform of the Civil Service](#) Stephen E. Condrey, Robert Maranto, 2001 Across the globe governments are ending civil service as we know it This volume presents the newest research that explores efforts to replace civil service systems with more flexible non tenured systems Featuring both original and previously published essays by many of the leading practitioners and professors in the field of public administration *Radical Reform of the Civil Service* asks big questions Is radical reform of public bureaucracy needed What is the scope of these reforms What are the dangers

of reform and why is it happening now The essays in this book should be read by anyone interested in the future of public management *Capitalising on Culture, Competing on Difference* Finbarr Bradley, James J. Kennelly, 2009-02-23 After two decades of exceptional economic growth and cultural change Ireland faces the greatest challenge yet creating a sustainable competitive advantage to guarantee its success in the future Finbarr Bradley and James Kennelly recommend a renewed sense of national identity as social and cultural capital to maintain and enhance Ireland's economic development **Crime** James Q.
