Dramatic Theory And Criticism:

Dramatic Theory and Criticism, Greeks to Grotowski Bernard F. Dukore, Journal of Dramatic Theory and Criticism, 2013

The Theory of the Theatre, and Other Principles of Dramatic Criticism Clayton Meeker Hamilton, 2019-11-29 In *The Theory of the Theatre and Other Principles of Dramatic Criticism* Clayton Meeker Hamilton provides an insightful exploration of the principles underpinning dramatic arts blending a thorough theoretical framework with practical criticism Hamilton articulates his arguments with clarity and precision engaging with prominent contemporaneous discussions in the fields of literature and theatre His analytical approach draws upon various schools of thought contextualizing drama within its sociocultural landscape while also examining the relationship between text performance and audience reception making this work a seminal text in the study of drama and theatre criticism Clayton Meeker Hamilton an influential figure in American theatre was deeply engaged in the cultural dynamics of his time which greatly informed his perspectives on drama and performance As a critic educator and playwright his extensive background allowed him to bring a multifaceted viewpoint to this book Drawing from both classical and modern influences Hamilton sought to elevate the status of theatrical studies making them accessible and relevant while advocating for a deeper understanding of the artistic and intellectual merits of the theatre This volume is an essential read for scholars students and practitioners within theatre studies or related fields Hamilton s critical insights not only foster a greater appreciation of dramatic literature but also encourage readers to reflect on the role of theatre in society If you seek to deepen your understanding of dramatic criticism and its theoretical foundations Hamilton s work is indispensable

The Theory of the Theatre Clayton Meeker Hamilton, 1913

Dramatic Theory and Criticism: Greeks to Grotowski Bernard F. Dukore, 1974 The chief purpose of this book is to make available the major documents in dramatic theory Some are important historically some intrinsically others have both histone and intrinsic value Apart from presenting such writings by dramatic theorists and critics *Dramatic Theory and Criticism Greeks to Grotowski* also aims to offer works by philosophers

psychologists and social theorists though not always addressed directly to the drama these writings by Ortega Gasset on modern art for instance are applicable or relevant to it and by dramatic authors this anthology begins with a selection by a playwright and ends with one by a director who is author of performance texts The selections include theories and analyses of the major traditional dramatic genres from ancient to modern times and of modern genres forms of drama and conceptions of theatre In fact dramatic genres constitute a thread that may be traced throughout the anthology Another thread consists in the contrast of the more traditional drama with the newer drama avant garde it might be called in a figurative sense though the phrase would strictly speaking be anachronistic in reference to periods preceding the modern Other threads are the social contexts and resonances of the drama dramatic action and playwriting dramatic illusion and Shakespearean criticism This book s subtitle Greeks to Grotowski suggests its scope and chief limitation The scope is Ancient Greece to the present day the limitation the West To include theorists of the Orient would have meant either to represent them inadequately or else if justice were to be done to double the size of this volume which is large enough as is Despite its size however there are inevitably omissions These derive from restrictions of copyright space the viewpoint of 1971 1972 and admittedly editorial tastes The last limitation has no doubt resulted in inclusions as well as omissions On this point my plea must be de gustibus non est disputandum there is no disputing concerning tastes Dramatic Theory and Criticism Greeks to Grotowski is organized chronologically and by one or a group of countries Initially I had considered organization by subject matter but fitting selections into subject matter categories proved not only unwieldy it also tended to become far more subjective than I felt was appropriate to a book like this Apart from the validity of the chronological arrangement to a historical approach to dramatic theory and criticism it is less subjective and it offers fewer problems than other methods I considered The introductions that precede all of the book s fourteen sections attempt to suggest the importance of various writers connections among them and some of the key issues they raise Where helpful the introductions try to provide a context and cross references direct the reader to writers in other sections Briefly though tautologically each introduction attempts to introduce rather than to offer long overly tendentious explications of the selections that follow To this end I have tried to strike a Horatian balance between terseness and comprehensibility Honolulu Hawaii November 1973 B F D Publisher

European Theories of the Drama Barrett Harper Clark, 2014-03-12 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book *Dramatic Theory* David Coley, 2024-06-18 Dramatic Theory takes readers on a comprehensive journey through the rich and varied landscape of dramatic theory Organized by key topics and presented

chronologically this book connects writers and theorists across different eras revealing how their discussions have evolved and intertwined Six fundamental questions are explored ranging from the nature and purpose of theatre to the implications of performance on society Each chapter delves into these essential questions offering insights into how theoretical discourse has influenced theatrical styles and practices over time From Aristotle s foundational Poetics to avant garde movements of the twentieth century Dramatic Theory covers a wide array of perspectives and debates Issues of identity the political implications of performance and the subjective nature of theatrical quality are thoroughly examined The book also investigates how meaning is constructed on stage and explores modern performance theory s redefinition of theatre By engaging with the vibrant never ending conversations of dramatic theory this text inspires a deeper understanding and appreciation of the performing arts

European Theories of the Drama, an Anthology of Dramatic Theory and Criticism from Aristotle to the Present Day, and a Series of Selected Texts; With Barrett Harper Clark,2014-03-12 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book
