

1. You are the only one responsible for your success.

The best part of your life will start on the day you decide your life is yours and no one to lean on, rely on, or blame. You are in full control of your future.

2. You don't have to invent the wheel.

A lot of success was found just by finding something that already existed and putting their own twist on it (their unique selling proposition).

3. Dreams become a reality with commitment, action, determination, and time.

What is not started today is never finished tomorrow. Just remember: No action at all is no action in a 100% failure rate. So get into action now, and begin to make it in the right direction.

4. Persistence always wins.

As Winston Churchill once said, "Success is stumbling from failure to failure with no loss of enthusiasm." A river cuts through rocks because of its persistence over time.

SUCCESS

PRINCIPLES

TO

REMEMBER

5. Focus is everything.

If you never focus clearly on something, you will never be 100% efficient at anything. Multi-tasking usually reduces your efficiency in dealing with each individual task.

6. Failure is necessary.

If what you did today didn't turn out as you hoped, remember there is a new opportunity to do it differently. Celebrate each failure as a lesson on the road to success.

7. Positivity fuels productivity.

Success comes from positive energy. You can choose to get caught up in the negativity surrounding you, or you can decide to do something positive about your situation.

8. You must believe you can.

You must find the place inside yourself where anything is possible. If it starts with a dream, Dream becomes a reality with commitment, action, determination and time.

9. Helping others is a big part of being successful.

Successful people constantly come up with new ways of helping others. Your long-term success is directly tied to how well you serve your community.

10. Success is a journey of countless baby steps.

It is a constant process of growth. If you want to be successful, you must continue to hold yourself to a higher standard than anyone else, and strive to improve.
