## **Christ In Concrete:**

Christ in Concrete Pietro di Donato, 2004-09-07 Giving voice to the hardworking Italian immigrants who worked lived and died in New York City shortly before the Great Depression this American classic ranks with Steinbeck's *The Grapes of Wrath* as one of the 20th century's great works of social protest Largely autobiographical *Christ in Concrete* opens with the dramatic Good Friday collapse of a building under construction crucifying in concrete an Italian construction worker whose death leaves his pregnant wife and eight children impoverished His oldest son Paul at just twelve years old must take over his father's role and his job Paul's odyssey into manhood begins on the high girders where death is an occupational hazard and a boy's dreams are the first fatality Written in sonorous prose that recalls the speaker's Italian origins Pietro di Donato's *Christ in Concrete* is at once a powerful social document and a deeply moving story about the American immigrant experience

**An American Story** Louise Napolitano, 1995 This text closely examines Pietro DiDonato's classic novel *Christ in Concrete* from an historical sociological and literary perspective Louise Napolitano examines *Christ in Concrete* 1939 as a chronicle of the experience of Italian immigrants in the United States during the twenties and early thirties The literary analysis involves a thematic and stylistic study focusing on the work's modern realistic naturalistic romantic and classic qualities In addition this study places *Christ in Concrete* in both the American as well as the Italian American literary tradition

Christ in Concrete Pietro Di Donato, 1937 **Resurrecting Christ in Concrete** Joseph A. DiPasquale, 2015 Abstract In 1939 Pietro Di Donato's landmark novel *Christ in Concrete* was released to accolades of admiration vindicating the Italian American immigrant Since their mass immigration to American shores in the late nineteenth century their status was left socially and economically bereft in a fog of misunderstanding and marginalization as a low class almost white ethnic culture This marginalization encouraged many Italian Americans to seek outside relief in the form of proletarian activism while many wrote radical proletarian pamphlets in refutation of the American Dream This dissertation proposes to analyze the novel in relation to radical proletarian writings by Italian Americans alongside *Christ in Concrete* and its author and his ideology which propelled him to write *Christ in Concrete* Tracing the radicalization of Italian American immigrants during the first decades of the twentieth century through political economic and societal measures adds impetus to the dissertation's analysis of radical proletarian literature *Christ in Concrete* represents one of the most notable vehicles by which to analyze the Italian American immigrant Pietro Di Donato was lauded as a shining figure to add to the proletarian gallery of artists Gardaph *Italian Signs* 66 Some critics worried that this early spotlight of honor may have blinded his artistic vision as none of his subsequent works met the standards of this early achievement Napolitano 7 But in terms of proletarian radical literature *Christ in Concrete* envelops the immigrant experience in language style and the mores of Italian Americans The dissertation journeys into this writer's ascent from an initial reading to a path of determination to acquire book rights and create a film to spur this unique book to its rightful place in literary history Acquiring the book rights is only part of the story I wrote a

screenplay assembled a star studded cast all the while pursuing an academic path studying the Italian American proletariat literature with Christ in Concrete as the paradigm I was propelled into making this film and onto the public scene in response to a statement written by Fred Gardaph In his analysis of the Italian American population he declared that Italian Americans are invisible people because they refuse to be seen and this dissertation proposes to expose this hidden essential segment of Americana Gardaph Anti Italianism 1 In my almost thirty years of working in the film and television industry nothing has gripped me like has Christ in Concrete The end result of my work as a screenwriter adapting the novel into a script resulted in my further examination of the academic life of the novel and writing like it Ultimately the two will work in concert for me to produce the film version of Christ in Concrete after decades of its sidelining from American culture

*Sensational Modernism* Joseph B. Entin, 2007 Challenging the conventional wisdom that the 1930s were dominated by literary and photographic realism Entin uncovers a rich vein of experimental work by politically progressive artists Examining images by photographers such as Weegee and Aaron Siskind

**Pietro DiDonato, the Master Builder** Matthew Diomedede, 1995 In Pietro DiDonato the Master Builder author Matthew Diomedede explores the role of the immigrant Italian American writer in twentieth century American letters by examining the life and work of the novelist dramatist and essayist Pietro DiDonato Diomedede uses the text of two lengthy interviews with the writer to discover the themes of love death women beauty rebellion and the mystery of life that can be found in DiDonato s works He also touches on DiDonato s writing process Diomedede then incorporates these concepts into a critical analysis of several of DiDonato s works including his novels This Woman Christ in Concrete and Three Circles of Light a play The Love of Annunziata two biographies Immigrant Saint The Life of Mother Cabrini and The Penitent and an essay Christ in Plastic Central to Diomedede s analysis are two concepts of analyst Carl Jung that dreams can prove valuable in understanding ourselves and that full human realization occurs when a person takes on a father male component and a mother female component Diomedede also explores the development of DiDonato s autobiographical character Paul Paolo in three novels and a play He then demonstrates the value of dreams by tracing Paul s dream nightmare in Christ in Concrete through DiDonato s oeuvre to the character s fullest development in This Woman the pinnacle of DiDonato s work Besides exploring the Jungian concepts in DiDonato s biographies Diomedede demonstrates how love is the concrete that is central to the author s work
