Turning Points of North American History Luigi Morelli,2010-10 This introduction to modern Indian thought establishes the historical context in which Indian thinkers of the past century developed their ideas showing how those ideas comprise a coherent vision that is both Indian and contemporary The Spirit of Modern India offers a full treatment of these ideas in an intelligible and concise approach and format Despite a growing interest in Indian thought and life the best writings of major

twentieth century thinkers have not been well presented within their cultural framework This is the first single volume to offer such a wide representation of India s experience and scholarship through traditional and contemporary strains as articulated by her greatest modern thinkers The period designated modern refers to the remarkable century between the mid 1800s and the mid 1900s The Spirit of Modern India includes writings by Sri Ramakrishna Vivekananda Tagore Gandhi Nehru Radhakrisnan and Sri Aurobindo These writings are arranged according to each era of Indian thought and culture philosophy religion ethics education esthetics and national vision Each is introduced to illuminate the material and put the selections into their historical and cultural context A chronology lists important dates and works of major authors and dates related to Indian and Western intellectual history A glossary of important names and terms makes the more technical selections readily accessible The bibliography will guide the reader to further reading The Spirit of Modern India provides a valuable service to those who wish to better understand India and its modern roots

Prophecy Now Jason,2012-09 The first part of this book deals with prophetic predictions regarding what is about to happen It s an overview of some of God s agenda and an insight into His personality The second part of this book shows ways in which we can change the future with our actions There is hope for the future if we take action now

He Walked the Americas: the Life, Legend, and Teachings of Quetzalcoatl L. Hansen,2017-04-12 Two thousand years ago a mysterious white man walked from tribe to tribe among the Native American nations He came to Peru from the Pacific and then he traveled through South Central and North America He came back to meet with the Mayans in ancient Tula Mexico before departing across the Atlantic to his land of origin Who was this white prophet who spoke a thousand languages healed the sick raised the dead and taught in the same words as Jesus himself These are true Native American legends gathered during 25 years of research by famed archaeologist L Taylor Hansen featuring many different tribes By consulting museums libraries and other experts on folklore Hansen s extensive findings were successfully correlated into this fascinating book This is a work that ties together the Christian stories of the New Testament with the Indian legends of the west In this book is substantial evidence that Jesus Christ or someone very similar to him came not only to one continent but to the entire world
