Baderin, 2017-07-05 Islamic substantive law otherwise called branches of the law *furu al fiqh* covers the textual provisions and jurisprudential rulings relating to specific transactions under Islamic law It is to Islamic substantive law that the rules of Islamic legal theory are applied The relationship between Islamic legal theory and Islamic substantive law is metaphorically described by Islamic jurists as a process of cultivation *istithmar* whereby the qualified jurist *mujtahid* as the cultivator uses relevant rules of legal theory to harvest the substantive law on specific issues in form of fruits *thamarat* from the sources The articles in this volume engage critically with selected substantive issues in Islamic law including family law law of inheritance law of financial transactions criminal law judicial procedure and international law *al siyar* These areas of substantive law have been selected due to their contemporary relevance and application in different parts of the Muslim

world today The volume features an introductory overview of the subject as well as a comprehensive bibliography to aid further research

Islamic Algorithms Gary R. Bunt, 2024-04-04 Explores the intersection between the internet and Islamic influencers and how key historical formative figures and entities and contemporary individuals have acquired extensive online audiences

A comparative study of elite English-medium schools, public schools, and Islamic madaris in contemporary Pakistan Akhtar Hassan Malik, 2015-04-12 This ethnographic study examines the role of differing school knowledge in reproducing various social classes in the society It was observed that an unequal availability of capital resources agents class habitus and the type of their cultural currency act as selection mechanisms that clearly favour some social groups over others The ruling classes ensure the transfer of their power and privilege to their children by providing them with quality education in elite schools The disadvantaged classes are excluded from these unique institutions by both social and economic sanctions They have no other option than to educate their children either in public schools or Islamic madaris As a result inequitable educational opportunities consolidate the existing social class hierarchy

Islamic Revival in Nepal Megan Adamson Sijapati, 2012-03-29 Drawing on extensive fieldwork among Muslims in contemporary Nepal this book examines the local and global factors shaping an emerging Islamic revival in a Hindu majority region of South Asia It traces the ways that Nepal's Muslims have become active participants in the larger global movement of Sunni revivalism and Nepal's own local politics of representation in the context of political transition to democracy and secularism

CURRICULUM REFORM IN PAKISTAN Amna Afreen, 2022-02-25 I have written this book in an effort to explore how the history of Pakistan has resulted in the critical problems weighing down its education system The book examines the questions Why and how has a small elite class come to rule Pakistan And how has their rule worsened the country's problems The focus will be to critically examine the elements of the Pakistani national curriculum and madrasas and their effects on Pakistani society The book represents the fusion of my experiences in Pakistan with extensive literature analysis interviews and textbook analysis This research began when I came to the United States in January 2015 through the SAR program I wanted to know the answers to profoundly unsettling questions How can a society be so intolerant that a scholar educated solely in Pakistan is disregarded and assassinated while many Western educated scholars with traditional insular thoughts are not only appreciated but flourishing I wanted to know why Pakistani elites have so much power and freedom while lower classes are profoundly oppressed Elites who barely pay taxes have been in power for generations while those that pay taxes suffer from sky high inflation The influential religious leaders mostly belong to the elite class while their followers are mostly lower class Ruling families and social classes mostly control appointed positions Do those in power not have a responsibility to speak on issues of social justice rather than limiting themselves in claiming that theirs is the only true form of Islam Why don't they work to end the disparity of quality education between classes in Pakistan Instead many elites run their own lucrative elite Islamic schools More importantly why do the ulama which literally means those who possess knowledge ilm

particularly of Islam maintain a tight hierarchical system in the madrasa Islamic seminary community that rarely allows poor intelligent students to attain leadership positions Why are the ulama silent in the face of ruthless murder of and discrimination against Pakistani minorities Book Review Pakistan Educational Reforms is a major study of education in Pakistan and its national and madrasa curriculum that fosters national and religious sectarian divisions intolerance and conflicts Dr Amna Afreen documents the political socio economic and religious causes limited government funding widespread poverty and illiteracy and the poor training and performance of teachers that have produced a failed educational system at urban and rural government and religious schools madrasa and offers a series of potential solutions and reforms John L Esposito University Professor and Founding Director of The Alwaleed Center for Muslim Christian Understanding Georgetown University *Islamic Culture* Marmaduke William Pickthall, Muhammad Asad, 1927 *An Army* Muhammad Ayub, 2002 *AKASHVANI* All India Radio (AIR), New Delhi , 1965-08-22 Akashvani English is a programme journal of ALL INDIA RADIO it was formerly known as The Indian Listener It used to serve the listener as a bradshaw of broadcasting and give listener the useful information in an interesting manner about programmes who writes them take part in them and produce them along with photographs of performing artists It also contains the information of major changes in the policy and service of the organisation The Indian Listener fortnightly programme journal of AIR in English published by The Indian State Broadcasting Service Bombay started on 22 December 1935 and was the successor to the Indian Radio Times in English which was published beginning in July 16 of 1927 From 22 August 1937 onwards it used to published by All India Radio New Delhi From 1950 it was turned into a weekly journal Later The Indian listener became Akashvani English w e f January 5 1958 It was made fortnightly journal again w e f July 1 1983 NAME OF THE JOURNAL AKASHVANI LANGUAGE OF THE JOURNAL English DATE MONTH YEAR OF PUBLICATION PERIODICITY OF THE JOURNAL Weekly NUMBER OF PAGES 72 VOLUME NUMBER Vol XXX No 34 BROADCAST PROGRAMME SCHEDULE PUBLISHED PAGE NOS 13 71 ARTICLE 1 Indian Systems of Writing The Perso Arabic Script 2 Training for Leadership Political Leadership 3 Fan For Fashion 4 The Rule of Law 5 Standardisation of Consumer Goods AUTHOR 1 Prof M Mujeeb 2 B Shiva Rao 3 N K Seshan 4 Justice Gopalji Mehrotra 5 Prof J V Nagaraja KEYWORDS 1 Not the muslims alone Nasta liq and shikast Indian script as good as any 2 Serious omission in India no short cuts courage to stand alone 3 From ancient times noble ladies folding fans fans in India 4 Independent judiciary important function 5 Consumer Industries the I S I benefits of standardisation Document ID APE 1965 J S Vol III 08 Prasar Bharati Archives has the copyright in all matters published in this AKASHVANI and other AIR journals For reproduction previous permission is essential **The Muslim World** ,2004 **Library of Congress Catalog** Library of Congress, 1965 A cumulative list of works represented by Library of Congress printed cards **Unity and Diversity in Education** Australian Comparative and International Education Society.
