

PRINCIPLES OF MANAGEMENT

Que. What is the principle of management?

Ans. Principle is a fundamental truth or proposition that serves as the foundation for a system of belief or behavior or for a chain of reasoning.

Principles of management are broad and general guidelines for managerial decision-making and behavior. Management principles are not as rigid as principles of science as this deals with human behavior and thus are to be applied creatively given the demands of the situation.

Q. Explain the nature of principles of management.
