I am very pleased to greet you, alumni and alumnae of the Faculty of Pharmacy of the University of Santo Tomas, Manila, who are based in the United States of America and Canada.

As you come together in Las Vegas for a homecoming, you might find it strange to “come home” on foreign soil. Nonetheless, you will rejoice in seeing and being with old friends, schoolmates and a few former professors. You will reminisce happy and unforgettable moments of the past. You will marvel at everyone’s and your own personal and professional success and achievements. You will realize how good life has been to you all. And deep within, you will acknowledge that, to a large or even a small measure, UST helped bring you to where you are now. That Thomasian heritage is what actually beats and is what you carry in your hearts, wherever you may be. So, when you gather in Las Vegas for this homecoming, I like to think that you will indeed have “come home”, because home is where the heart is.

Best wishes, and may UST always “keep us in beauty in truth and virtues impassioned embrace”, so that we remain ever her “valiant legion imbued with unending grace” (UST Hymn).
