## **Sentimental Journey Bud Green:**

*Sentimental Journey* Marvin E. Paymer, Don E. Post, 1999 *Sentimental Journey* is a cornucopia of 546 range portraits that tell the story of America's very own great music from its beginnings on Tin Pan Alley through its flourishing in step with the rise of the Broadway musical radio recordings the big bands and the film musical. The book spans 25 years broken up into three decades entitled The Roaring Twenties The Depression Years and The War Years each of which begins with a prologue giving a general description of the decade. Each year within the decades gives further historical background against which the individual songs were written including the political social and artistic events. Within each year the songs are portrayed individually telling what made the song special and gives its vital statistics along with composer lyricist publisher and when where and by whom it was introduced. The twenty six chapters of *Sentimental Journey* is finalized with a set of Appendices containing glossary bibliography index of composers and lyricists and an index of songs. No matter from what generation the reader is part of the music from this book is being constantly rediscovered and has become part of the American heritage.

**The Great American Songbook** Steven Suskin, 2023-04-01 In an age of ubiquitous music and countless new songs releasing every minute the Great American Songbook endures. After all the Songbook that sprawling canon of popular songs standards and show tunes from roughly the 1920s through the 1950s is a foundational text of American pop music. Rare indeed is the song that doesn't in some way draw on this magnificent corpus and rare is the person who hasn't heard at least a few of its most enduring melodies. Nonetheless the Songbook is broader and deeper than most listeners can imagine and on the margins the question of whether this or that song should be included is the source of regular arguments among scholars and buffs alike. Attempting to plumb its depths can be a daunting prospect. Enter Steven Suskin who has been writing about music since the days that Rodgers Arlen and Berlin still roamed the streets of Manhattan. In this carefully curated and cheerfully opinionated guidebook Suskin surveys 201 of the most significant selections from the Songbook ranging from celebrated masterpieces to forgotten gems. Year by year he puts songwriters and their contributions in their context and explains what makes each song such a distinctive treat whether felicitous melody colorful harmony compositional originality or merely the sheer irreducible joy of listening to it. Old and new favorites await all readers of this painstakingly compiled enthusiastically written catalog.

*The Big Band Reader* William Emmett Studwell, Mark Baldin, 2000 Benny Goodman Cab Calloway Count Basie The Dorsey Brothers Duke Ellington and Glenn Miller were musical masters of their eras enchanting and romancing audiences with their timeless classics.
