Nayar, 2014 First published by Hampton Press Inc in 2010 This edition published in 2014 Title page verso Cinematic Journeys in Latin America Richard Francaviglia, 2023-09-05 This book critically examines how movies that feature real or imagined explorers and expeditions creatively feature the geography of Latin America It focuses on how locales are scripted into film plots and artistically depicted and demonstrates that place is as important as any character in a film especially in this genre Nineteen key films are analyzed Some like Aguirre the Wrath of God Fitzcarraldo The Other Conquest Embrace of the Serpent and The Lost City of Z are based on the exploits of real explorers Others are fictional including Apocalypto Indiana Jones and the Kingdom of the Crystal Skull and Dora and the Lost City of Gold The author also discusses the evolution of exploration discovery films including trends that will likely be found in forthcoming movies What Film Is Good For Julian Hanich, Martin P. Rossouw, 2023-09-05 For well over a century going to the movies has been a favorite pastime for billions across the globe But is film actually good for anything This volume brings together thirty six scholars critics and filmmakers in search of an answer Their responses range from the most personal to the most theoretical and together recast current debates about film ethics Movie watching here emerges as a wellspring of value able to sustain countless visions of the good life Films these authors affirm make us reflect connect adapt they evoke wonder and beauty they challenge and transform In a word its varieties of value make film invaluable The ^AOxford Handbook of Humanism Anthony B. **Cinematographic Annual** ,1930 Cinematographic Annual Halbert W. Hall, 1930 Motion Picture Story Magazine ,1921 **Story World and Photodramatist** ,1923 Exhibitors Daily Review ,1924 **Harper Cinema Omnibus** HarperCollins Publishers India, 2015-07-10 Path breaking films have phenomenal behind the scenes stories Read about two of the most iconic movies of our times and combine it with the journey of the woman as actor and character in Hindi cinema Jaane Bhi Do Yaaro In the 1980s an unheralded Hindi movie made on a budget of less than Rs 7 lakh went from a quiet showing at the box office to developing a reputation as India s definitive black comedy Some of the country s finest theatre and film talents all at key stages in their careers participated in its creation but the journey was anything but smooth Among other things it involved bumping off disco killers and talking gorillas finding air conditioned rooms for dead rats persuading a respected actor to stop sulking and eat his meals and resisting the temptation to introduce logic into a madcap script In the

end it was worth it Kundan Shah's *Jaane Bhi Do Yaaro* is now a byword for the sort of absurdist satirical humours that Hindi cinema just hasn't seen enough of. This is the story of how it came to be despite incredible odds and what it might have been. Jai Arjun Singh's take on the making of the film and its cult following is as entertaining as the film itself. *Gangs of Wasseypur* Running close to five hours and thirty minutes and boasting of no big stars *Gangs of Wasseypur* is unlike any Hindi film you might have watched. It is also one of the most feted Hindi films of recent times in international circles. It has been spoken of as India's answer to landmark gangster films of the west like *The Godfather*. In *Gangs of Wasseypur: The Making of a Modern Classic* the authors go behind the scenes through its chaotic gestation to bring to life the trials and tribulations, the triumphs and ecstasies involved in following one's dream. Including the complete screenplay, the book is as much a testimony to the spirit of everyone associated with the film as it is a tribute to the intellectual honesty and indefatigable spirit of its director Anurag Kashyap. *Mother Maiden Mistress* It's been a long hundred years since Dadasaheb Phalke had to settle for a man to play the heroine in India's first feature film *Raja Harishchandra* 1913 and women in Hindi cinema have come a long way since then. *Mother Maiden Mistress* documents that journey from a time in which cinema was considered a profession beneath the dignity of respectable women to an era when women actors are icons and idols. Bhawana Somaaya, Jigna Kothari and Supriya Madangarli sift through six decades of history bringing to life the women that peopled cinema and the popular imagination and shaped fashion and culture. Contemporary readers will also find here a nuanced historical perspective of the social milieu of the time of the nation and of Hindi cinema itself. Also riveting are the first person narratives of a leading actress from each decade: Waheeda Rehman, Asha Parekh, Hema Malini, Shabana Azmi, Madhuri Dixit and Rani Mukerji all close up examinations of how some of the iconic characters of Hindi cinema came to be. At once a guide, an archive and a cracking good read, the book records and reviews the woman in Hindi cinema: the mythical, the Sati Savitri, the rebel, the avant-garde and the contemporary. In a journey through six decades of cinema, seemingly the more things have changed, the more they have remained the same.
