

SCIENCE FAIR PROJECT REPORT

1. Title Page

The title page bears the title of your project in the center of the page several inches from the top of the page. Your name, school, and grade would be placed in the lower right-hand corner of the page.

2. Table of Contents

List the sections of your paper and the page numbers where they begin.

3. Abstract

The abstract is a shortened version of your entire paper. It should include three short paragraphs: the Purpose, the Procedure, and the Results.

4. The Hypothesis

Students who select an experiment to perform should include a hypothesis in the written report. A hypothesis is an educated guess about what you think will occur as a result from conducting the selected experiment.

5. Background Research

Include work and research conducted by others in the past that relates to your topic and facts that help introduce the readers to the topic.

6. Materials

List all the materials and supplies you used in the project. Quantities and amounts of each should also be indicated, especially if you conduct an experiment.

7. Procedure

List and describe steps you undertook to complete the project, numbering them sequentially.
