*Sephardim and Ashkenazim* Sina Rauschenbach,2020-11-09 Sephardic and Ashkenazic Judaism have long been studied separately Yet scholars are becoming ever more aware of the need to merge them into a single field of Jewish Studies This volume opens new perspectives and bridges traditional gaps The authors are not simply contributing to their respective fields of Sephardic or Ashkenazic Studies Rather they all include both Sephardic and Ashkenazic perspectives as they reflect on different aspects of encounters and reconsider traditional narratives Subjects range from medieval and early modern Sephardic and Ashkenazic constructions of identities influences and entanglements in the fields of religious art halakhah kabbalah messianism and charity to modern Ashkenazic Sephardism and Sephardic admiration for Ashkenazic culture For reasons of coherency the contributions all focus on European contexts between the fourteenth and the nineteenth centuries

**The Encyclopedia of Jewish Myth, Magic & Mysticism** Geoffrey W. Dennis,2016-02-08 An erudite lively compendium of

Jewish magical beliefs practices texts and individuals superb comprehensive belongs in every serious library Richard M Golden Director of the Jewish Studies Program University of North Texas and editor of *The Encyclopedia of Witchcraft The Western Tradition* Jewish esotericism is the oldest and most influential continuous occult tradition in the West Presenting lore that can spiritually enrich your life this one of a kind encyclopedia is devoted to the esoteric in Judaism the miraculous and the mysterious In this second edition Rabbi Geoffrey W Dennis has added over thirty new entries and significantly expanded over one hundred other entries incorporating more knowledge and passages from primary sources This comprehensive treasury of Jewish teachings drawn from sources spanning Jewish scripture the Talmud the Midrash the Kabbalah and other esoteric branches of Judaism is exhaustively researched yet easy to use It includes over one thousand alphabetical entries from Aaron to Zohar Chadash with extensive cross references to related topics and new illustrations throughout Drawn from the well of a great spiritual tradition the secret wisdom within these pages will enlighten and empower you Rabbi Dennis has performed a tremendously important service for both the scholar and the novice in composing a work of concise information about aspects of Judaism unbeknownst to most and intriguing to all Rabbi Gershon Winkler author of *Magic of the Ordinary Recovering the Shamanic in Judaism* [Counting the Miracles: Jewish Thought, Mysticism, and the Arts from Late Antiquity to the Present](#) Silvana Greco, Judith Olszowy-Schlanger, 2025-05-19 In honor of the writings of Giulio Busi scholar of Jewish culture the book investigates from a multidisciplinary perspective the extraordinary richness of Jewish culture in the Diaspora from antiquity to the latter part of the 20th century A number of rabbinic writings medieval manuscripts from the South of France visual qabbalah the Yiddish language artistic expressions as well as the philosophical and social traditions of some prominent twentieth century figures will be explored While the Jewish cultural tradition has always incorporated the cultural influences of the broader socio historical context in which it was embedded it has in turn been a source of inspiration for the intellectual lite of the majority society In this regard the volume will examine the fruitful mutual exchange between Jewish scholars and Christian humanists during the Renaissance However the life of Jews in the Diaspora did not always take place in a context of peaceful integration It was punctuated by harsh confrontations and persecution Finally the book will illustrate how precisely during the darkest and most tragic period of the 20th century Jewish culture was an important tool of resistance and struggle against Nazi Fascism *Kabbalah and Sex Magic* Marla Segol, 2021-09-08 In this provocative book Marla Segol explores the development of the kabbalistic cosmology underlying Western sex magic Drawing extensively on Jewish myth and ritual Segol tells the powerful story of the relationship between the divine and the human body in late antique Jewish esotericism in medieval kabbalah and in New Age ritual practice *Kabbalah and Sex Magic* traces the evolution of a Hebrew microcosm that models the powerful interaction of human and divine bodies at the heart of both kabbalah and some forms of Western sex magic Focusing on Jewish esoteric and medical sources from the fifth to the twelfth century from Byzantium Persia Iberia and southern France Segol argues

that in its fully developed medieval form kabbalah operated by ritualizing a mythos of divine creation by means of sexual reproduction She situates in cultural and historical context the emergence of Jewish cosmological models for conceptualizing both human and divine bodies and the interactions between them arguing that all these sources position the body and its senses as the locus of culture and the means of reproducing it Segol explores the rituals acting on these models attending especially to their inherent erotic power and ties these to contemporary Western sex magic showing that such rituals have a continuing life Asking questions about its cosmology myths and rituals Segol poses even larger questions about the history of kabbalah the changing conceptions of the human relation to the divine and even the nature of religious innovation itself This groundbreaking book will appeal to students and scholars of Jewish studies religion sexuality and magic The Engineering of Consent David Klooz, 2021-02-10 There are many people and many authors who believe that civilization mankind or our species has amnesia I do not believe this I believe we have been lied to since the beginning of recorded history and even before that The first half of this book is about our four previous civilizations and the out of place artifacts and knowledge that has been hidden debunked lost or forgotten such as the giant skeletons recorded in most newspapers in the 19th century recorded Indian Vimanas that flew powered by a spinning plasma engines in 7 000 BCE as well as flying Aeros in Bavaria and the Western United States It is about the Cro Magnon giants of the Atlantean civilization escaping to the area of the Caucasus Mountains Northern Africa the Canary Islands and the East Coast of the Americas during the Solar System cataclysm in 10 900 BCE It is about that same tall Atlantean Aryan Iranian race with blue eyes and red and blonde hair that migrated from the Caucasus mountains and became the ruling class from China to Egypt It is also the story of the stealing destroying hiding and perverting the occult and lost knowledge of the Brotherhood by the High priests of Egypt known as the Scarlet Council so that only they could control who could become part of their New Brotherhood That ancient knowledge was also perverted by the addition of the Jewish Kabbalah a mixture of alchemy numerology gematria and magic as well as by the Alumbrados an emerging occult movement founded by Spanish Marranos The members were baptized Jews who secretly kept their Talmudic faith Also the Khazars Krypto Jews from near the Black Sea with their knowledge of Babylonian black magic and money magic perverted the Mysteries This confusing jumble was added to the existing Egyptian Osiris Isis Horus Cult which was the basis of Freemasonry which was infiltrated by Adam Weishaupt and his 2000 members along with the Jesuits and the Vatican This became the New Illuminati Finally it is about the control of the masses by religion and by the alchemy of social engineering to manipulate the masses through disinformation brainwashing and the fear of terror It uses mass death rituals like 9 11 and public assassination rituals such as that of JFK for shock value The use of this alchemical social engineering is used in the engineering of consent in order to protect the masses from the terror and hopelessness that the Brotherhood itself has created This culture of control can also be seen by the use of political correctness the additional attempts to limit free speech and the creation of hopelessness mistrust and eugenics by lockdowns masks quarantines and

forced use of untested injections Remember the Nuremberg Code and Never Again That was a lie as well We are living it that lie
