Denotation and Connotation

A word's denotation is its dictionary definition. But a word can also evoke certain thoughts and feelings. The thoughts and feelings associated with a certain word are called the connotation of the word. Words with the same denotation can have different connotations. Connotations can be positive, negative or neutral.

DIRECTIONS: Each pair of phrases includes synonyms with different connotations. Put a + sign on the line next to the one with a positive connotation, and a - on the line next to the one with a negative connotation.
