Human Biology Concepts And Current Issues Seventh Edition:

Human Biology Michael D. Johnson, 2013-01-03 Mastering is the most effective and widely used online homework tutorial and assessment system for the sciences. It delivers self-paced tutorials that focus on your course objectives, provide individualized coaching, and respond to each student's progress. MasteringBiology helps instructors maximize class time with easy-to-assign, customizable, and automatically graded assessments that motivate students to learn outside of class and arrive prepared for lecture or lab.

Human Biology Michael D. Johnson, 2013-01-09 This edition features the exact same content as the traditional text in a convenient three-hole punched loose-leaf version. Books a la Carte also offer a great value for your students; this format costs 35% less than a new textbook. Through his teaching, his textbook, and in his online blog, award-winning teacher Michael D. Johnson sparks the interest of today's science-intimidated student by connecting basic biology to real-world issues relevant to students' own lives. Through a storytelling approach and extensive online support, *Human Biology Concepts and Current Issues Seventh Edition* not only demystifies how the human body works but drives students to become better consumers of health and science information. Each chapter opens with Johnson's popular Current Issue essays and BlogInFocus references within the chapter, directing students to his frequently updated online blog for breaking human biology-related news. Seventh Edition also offers stronger student self-assessment tools with new and expanded critical thinking questions throughout each chapter and in the end-of-chapter reviews. This package consists of Books a la Carte for *Human Biology Concepts and Current Issues Seventh Edition*.
