Lisa Stansfield All Woman:

Women Who Work Too Much Tamu Thomas,2024-03-05 Women can have it all but do we really want it This book shows women how to escape the trap of toxic productivity build boundaries avoid burnout and live with joy We have been conditioned into believing our value is in what we do rather than who we are Do you find yourself saying yes because you were never taught how to say no Are you working all hours of the day but not feeling good about your achievements amplifying your perceived mistakes or weaknesses Many of us believe that to be our best selves we should do more but the result is often stress burnout and disillusionment This book offers a healing hand to help you step out of the same old patterns of using success or overworking as a source of self validation For women work doesn't stop in the workplace There is a huge load at home that still falls to women whether looking after children caring for aging parents or simply taking the reins of running the household This is a book for women who work too much It is for women who are ready to hear the wake up call coming from within coming from their frazzled nervous system from that sense of underlying anxiety they have learnt to normalize over the years and from an inner knowing that just maybe it doesn't have to be this way Women Who Work Too Much will help you to become your own advocate feel at home with who you already are and in your own skin know what needs to be done rather than trying to do it all This book is a manifesto for change and a call to inaction Women Who Work Too Much will support you to establish healthier boundaries stop over committing and move into a feeling of safety so that you can thrive prosper and flourish

Lollipop Marc Pye,2014-01-30 Life for Evelyn Mick and their five year old son Jamie is relatively trouble free until Evelyn's brother Shug comes to stay Shug is a typical Buckfast drinking living for the moment Glasgow guy whose chosen professions are car theft and robbery The only person Shug genuinely cares about is his nephew Jamie So when he suspects the local lollipop man of child abuse he takes the law into his own hands Soon both the police and the local hard men are on Shug's trail But with his chameleon ways and lucky streak he narrowly manages to avoid ending up either in prison or at the bottom of the river Clyde wearing concrete shoes

The Chameleon Judge II; A Chameleon No More The Whisperer,2023-07-16 Sexual abuse is never Ok especially if it is at the hands of someone whose job it is to protect and shelter from said atrocities When it happens a survivor can become predator or perhaps in the case of The Chameleon Judge a vigilante one who believes it's their job and mission to rid societies of the undesirables The problem is that some of the bad has rubbed off on them and those around him Will the perverted karma controllers keep the Chameleon in check or will they provide another sympathetic venue for escape Consuming the pages of this multi shade sexual and morbid thriller will only tell The Chameleon Judge A Chameleon No More is a tail for the ages that reveals what can happen to a former abuser left unchecked
