**Routledge Handbook on China-Middle East Relations** Jonathan Fulton, 2021-12-27 This handbook brings together a mix of established and emerging international scholars to provide valuable analytical insights into how China's growing Middle East presence affects intra regional development trade security and diplomacy As the largest extra regional economic actor in the Middle East China is the biggest source of foreign direct investment into the region and the largest trading partner for most Middle Eastern states This portends a larger role in political and security affairs as the value of Chinese assets combined with a growing expatriate population in the region demands a more proactive role in contributing to regional order Exploring the effect of these developments the expert contributors also consider the reverberations in great power politics as the United States Russia India Japan and the European Union also have considerable interests in the region The book is divided into four sections Historical and policy context State and regional case studies Trade and development International relations security and diplomacy This volume is an essential reference for scholars and policy makers in the fields of international relations political sociology international political economy and foreign policy analysis Area studies specialists in Middle Eastern Studies China Studies and East Asian Studies will also find it an invaluable resource

**Love and Marriage in Globalizing China** Wang Pan, 2014-11-13 As China globalizes the number of marriages between Chinese people and foreigners is increasing These Chinese foreign marriages have profound implications for China's cultural identity This book based on extensive original research outlines the different types of Chinese foreign marriage and divorce and the changing scale and changing patterns of such marriages and divorces and examines how such marriages and divorces are portrayed in different kinds of media It shows how those types of Chinese foreign marriage where Chinese patriotism and Chinese values are preserved are depicted favourably whereas other kinds of Chinese foreign marriage especially those where Chinese women marry foreign nationals are disapproved of male foreign nationals being seen as having a propensity to infidelity deception violence and taking advantage of Chinese women The book contrasts the portrayal of Chinese foreign marriage with the reality and with the depiction of Chinese Chinese marriage where many of the same problems apply Overall the book sheds much light on changing social processes and on current imaginings of China's place in the world

**Spirit(s) and Chinese Religiosity** Jacob Chengwei Feng, 2025-12-08 This open access book offers a fresh perspective on the history of Chinese Christianity retelling it through the lens of Pentecost Acts 2 to illuminate the rise of Pentecostal and charismatic Christianity in China from the 20th century onward Parting from traditional academic studies of Chinese Pentecostalism the author departs from beginning with the early 20th century introduction of the Pentecostal movement to China and instead examines the deeper historical and theological roots of Chinese Christianity In identifying this gap the author argues that China's rich religious and cultural context shaped by a pantheon of spirits and ghosts provided a fertile ground for the acceptance and flourishing of modern Pentecostal thought and practice Through this innovative analysis the

book connects Pentecostalism's global emergence with the unique spiritual landscape of China offering new insights into both Chinese and Pentecostal Christian history It is an important read for scholars of religious history and theology

**Resistant City: Histories, Maps And The Architecture Of Development** Eunice Mei Feng Seng,2020-02-24 This vivid book is an inquiry into the stagnation between the development of architectural practice and the progress in urban modernization It is about islands as territories of resistance It is about dense places where multitudes dwell in perennial contestations with the city on every front It is about the histories tactics and spaces of everyday survival within the hegemonic sway of global capital and unstoppable development It is preoccupied with making visible the culture of resistance and architecture's entanglement with it It is about urban resilience It is about Hong Kong where uncertainty is status quo This interdisciplinary volume explores real and invented places and identities that are created in tandem with Hong Kong's urban development Mapping contested spaces in the territory it visualizes the energies and tenacity of the people as manifest in their daily life social and professional networks and the urban spaces in which they inhabit Embodying the multifaceted nature of the Asian metropolis the book utilizes a combination of archival materials public data sources field observations and documentation analytical drawings models and maps Related Link s

**Continental Powers and Naval Development** Brian C. Chao,2025-10-16 This book examines how continental great powers have attempted to develop and wield strong navies since 1801 Continental Powers and Naval Development argues that a continental great power's ability to build and effectively use a strong navy is greatly affected by two factors a naval force design capable of executing national strategy strategy coherence and the deployment of that navy to places or for purposes that minimize the dominant naval power's threat perception threat diffusion Each factor is deceptively difficult for a continental great power to achieve but through an analysis of four historical case studies this book shows how both factors are vital not just for successful naval development but for keeping the peace among great powers Finally it highlights how states commonly thought of as unnatural naval powers can nonetheless achieve their political objectives at sea This book will be of much interest to students of naval history maritime strategy and International Relations

**China in the Global South** Theodor Tudoroiu,Anna Kuteleva,2022-04-23 This book scrutinizes the frequently ignored agency of Global South sub national actors in their interactions with China using a multidisciplinary approach and eleven case studies Contributors examine China's presence in the Global South on a country by country basis analyzing how various non state and sub state actors are responding to the rise of China and whether they are attracted by the cooperation models that China proposes or deterred by its new assertiveness Contributions cover diverse and heterogeneous geographies of the Global South ranging from Papua New Guinea to Argentina and from Madagascar to the Russian Far East Examining such diverse cases contributors focus on two interrelated questions What is the actual economic political and social impact of China's growing presence in the Global South And critically how do the citizens of the Global South understand and interpret China's rise Taken together the case

studies develop a comprehensive picture of a complex and sometimes problematic process of China's inclusion into the economic social and political realities of the Global South This book identifies and fills the gaps in the existing literature on China's rise by offering a nuanced perspective on China's relations with the countries of the Global South that captures such variables as social context intersubjective meanings and identities By focusing China's relations with the Global South it also provides an important addition to the literature on international politics of development and China's role in the transformation of the South South cooperation

**The China-Japan Conflict over the Senkaku/Diaoyu Islands** Anna Costa, 2017-09-27 This book examines the foreign and security policies adopted by China and Japan since the 1970s in their competition over the Senkaku Diaoyu Islands in the East China Sea It charts the development of a dispute that has become a potential flashpoint for conflict between the two countries The book explains that while increasing nationalism in both China and Japan helps to fuel and sustain the dispute a key factor is that the leaderships in both countries find competition over the islands to be a convenient vehicle supporting their wider approach to foreign and security policy which is becoming increasingly assertive and potentially belligerent
