## PROJECT TITLE

Website Development Projects for Flight Magazine

## DESCRIPTION

Flight Magazine is in need of an e-commerce enabled web site to sell magazine subscriptions, videos and clothing to members of the hydrofoil community. Flight also needs a separate web site intimately connected to the magazine site for the Flight Hydrofoil World Championships, which is held every two years. Flight also needs a large amount of imagery from the sport of hydrofoiling and updated content from future events.

## OBJECTIVE

Flight needs two web sites to promote both the magazine and sponsored events.  
An Internet Presence: Flight Magazine needs an e-commerce web site.  
Event Promotion: Flight Worlds needs a web site to promote the events.  
Cost effective: Flight needs a professional and affordable solution.

## OPPORTUNITY

Flight has the opportunity to work with Cyber Sea, Inc. to create a combined web that leverages both companies existing material.

## SOLUTION

As active members in the sport of hydrofoiling we understand the sport and have accumulated a large collection of extreme hydrofoiling media. We are also experts in the creation of all media and materials required for the project including but not limited to web site design, e-commerce and photography. We recommend using our production team to handle the creation of both sites.
