WHY COPS DIE (And How to Prevent It) Gerald W. Garner, 2017-10-30 This book provides time and experience proven advice for responding safely and effectively to threats to a law enforcement officer's safety It relies on law enforcement's bloody history to reveal what has gone wrong for a very long time and how to fix it so that no more cops die needlessly This book identifies the cop killers and the fatal errors that cops make and it explores how these incidents happen and why Most important of all the book goes into detail about how to prevent these terminal errors and furnishes to the point advice for avoiding them These tactics and techniques work It offers the same common sense advice that solid patrol sergeants have been sharing with their briefing room charges for a long while It has been assembled by a police chief who spent 15 years as a sergeant WHY COPS DIE can be used in a lot of ways all of them useful for drastically reducing the number of officers who die on the job every year It should be issued to every law enforcement academy recruit It is aimed across the spectrum of the law enforcement organization from the rookie to the first line supervisor to the command staff Chiefs and sheriffs will find it of value as will those directly responsible for the training of law enforcement officers By applying practical potentially lifesaving advice to their daily duties law enforcement's first line practitioners can sharply
