

*This is a book I wrote.* Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn't me wrote it—but I soon discovered that I'm not sneaky enough to pull it off convincingly.

So I decided to just make a list of things that are in the book:

- Pictures.
- Words.
- Stories about things that happened to me.
- Stories about things that happened to other people because of me.
- Eight billion dollars.\*
- Stories about dogs.
- The secret to eternal happiness.\*

\*These are lies. Perhaps I have underestimated my sneakiness!

"This book made me laugh, cry, and leak. It was honest, poignant, and ridiculously silly in all the best ways and I'm better for having read it. Plus, doggies!"

—JENNY LAWSON, *The Bloggess* and author of  
*Let's Pretend This Never Happened*

# Hyperbole And A Half Unfortunate Situations Flawed Coping

**Tobias Bleicker**

## **Hyperbole And A Half Unfortunate Situations Flawed Coping:**

**Hyperbole and a Half** Alexandra Brosh, 2013-10-31 Hilarious stories about life's mishaps from the creator of the immensely popular blog *Hyperbole and a Half*. Fully illustrated with over 50% new material. *Hyperbole and A Half* is a blog and webcomic written by a 20-something American girl called Allie Brosh. She tells fantastically funny, wise stories about the mishaps of her everyday life with titles like *Why Dogs Don't Understand Basic Concepts Like Moving* and *The God of Cake*. Brosh's website receives millions of visitors a month and hundreds of thousands per day. Now her full-color debut book chronicles the many learning experiences Brosh has endured as a result of her own character flaws. It includes stories about her rambunctious childhood, the highs and mostly lows of owning a mentally challenged dog, and a moving and darkly comic account of her struggles with depression. Quirky and captivating. *Observer*. It's impossible not to warm to cartoonist and blogger Allie. If she doesn't get to you with her funny childhood anecdotes, eating an entire birthday cake, then her honest reflections on depression will. *Grazia*. *Hyperbole and a Half* Allie Brosh, 2013-10-29 A #1 New York Times bestselling illustrated memoir, this funny and smart as hell Bill Gates collection captures everyday life, mental health, and human absurdity through deceptively simple drawings and razor-sharp wit. Every time Allie Brosh posted a new piece on her beloved blog *Hyperbole and a Half*, the internet erupted, and now her breakout book brings that voice to the page in full color. Featuring new content, this expanded edition includes ten never-before-seen essays, a fully revised and expanded piece, and fan favorites such as *The God of Cake*, *Dogs Don't Understand Basic Concepts Like Moving*, and the groundbreaking essays *Adventures in Depression* and *Depression Part Two*, widely praised for their honesty and insight. With minimalist illustrations and brutally funny observations, Brosh explores dogs, cake, growing up, emotional chaos, and the strange logic of the human mind. Her work manages to be laugh-out-loud hilarious while also offering one of the most relatable and accessible portrayals of depression ever written. Funny, smart, and emotionally resonant, this illustrated essay collection launched Allie Brosh as a major voice in American humor and remains a defining work of contemporary humor. **Hyperbole and a Half** Allie Brosh, 2013-10-29 For use in schools and libraries only. The creator of the immensely popular *Hyperbole and a Half* blog presents an illustrated collection of her hilarious stories with fifty percent new content. *Hyperbole and a Half: by Allie Brosh (Trivia-On-Books)* Trivia-on-Books Staff, 2015-12-17 Trivia on Book. *Hyperbole and a Half* by Allie Brosh.
