

THE PULITZER PRIZE-WINNING PLAY  
NOW AN HBO FILMS EVENT

The image is a DVD cover for the play 'Angels in America'. It features a man lying in bed, looking up at a large, glowing angel with white wings. The scene is set against a warm, golden light, suggesting a sunrise or sunset. The angel is positioned in the upper right, while the man is in the lower left. The overall mood is dramatic and ethereal.

**Mainstream AIDS Theatre, the Media, and Gay Civil Rights** Jacob Juntunen, 2016-01-29 This book demonstrates the political potential of mainstream theatre in the US at the end of the twentieth century tracing ideological change over time in the reception of US mainstream plays taking HIV AIDS as their topic from 1985 to 2000 This is the first study to combine the topics of the politics of performance LGBT theatre and mainstream theatre s political potential a juxtaposition that shows how radical ideas become mainstream that is how the dominant ideology changes Using materialist semiotics and extensive archival research Juntunen delineates the cultural history of four pivotal productions from that period Larry Kramer s *The Normal Heart* 1985 Tony Kushner s *Angels in America* 1992 Jonathan Larson s *Rent* 1996 and Moises Kaufman s *The Laramie Project* 2000 Examining the connection between AIDS mainstream theatre and the media reveals key systems at work in ideological change over time during a deadly epidemic whose effects changed the nation forever Employing media theory alongside nationalism studies and utilizing dozens of reviews for each case study the volume demonstrates that reviews are valuable evidence of how a production was hailed by society s ideological gatekeepers Mixing this new use of reviews alongside textual analysis and material study such as the theaters locations architectures merchandise program notes and advertising creates an uncommonly rich description of these productions and their ideological effects This book will be of interest to scholars and students of theatre politics media studies queer theory and US history and to those with an interest in gay civil rights one of the most successful social movements of the late twentieth century The Theatre Team Jeane Luere, Sidney Berger, Sidney L. Berger, 1998-01-30 Successful theatrical productions are a team effort and require the close cooperation of the playwright producer director designers and actors The group responsible for selecting a play and the style of its production must first reach a consensus on their reason for being and their rationale for approaching an audience The goals and modes of production are constantly evolving requiring theatre personnel to be constantly conversant with shifts in the functions of members of theatre teams in forms and styles of drama and in techniques of staging This book stresses the need for collaboration and communication among the members of the theatre team during the moving of a script toward its audience Though evolution in the roles of producer playwright and director has been neither uniform nor evenly paced this book demonstrates that change itself provides theatre teams openings for inspiration and creation Through examples of production successes and failures of eminent plays since mid century and through discussions of specific interaction or lack of it among those who produced and directed the plays this volume stresses clearly delegated authority and responsibility of production roles Full scale interaction is vital as the members of the theatre team interpret rehearse and perform a play This book also includes sections on the different production circumstances encountered by theatre teams of various levels and excerpts from interviews with theatre professionals Dramatists Sourcebook Theatre Communications Group, 2004-09 Now in its 23rd edition *Dramatists Sourcebook* the best selling guide for opportunities for stage writers is completely revised
