Zero Zero Zero Saviano:

ZeroZeroZero Roberto Saviano,2015-07-14 Zero zero zero flour is the finest whitest available Zero zero zero is also the nickname among narcotraffickers for the purest highest quality cocaine on the market And it is the title of Roberto Saviano s unforgettable exploration of how the cocaine trade knits the world into its dark economy and imposes its own vicious rules and moral codes on its armies and through them on us all Saviano s Gomorrah his explosive account of the Neapolitan mob the Camorra was a worldwide publishing sensation It struck such a nerve with the Camorra that Saviano has lived with twenty four hour police protection in the shadow of death threats for more than seven years During this time he has become intimate with law enforcement agencies around the world Saviano has broadened his perspective to take in the entire global corporate entity that is the drug trade in cooperation with law enforcement officials who have fed him information and sources and used him to guide their own thinking and tactics Saviano has used this extraordinary access to feed his own groundbreaking reportage The result is a truly amazing and harrowing synthesis of intimate literary narrative and geopolitical analysis of one of the most powerful dark forces in the global economy In Zero Zero Zero Saviano tracks the shift in the cocaine trade s axis of power from Colombia to Mexico and relates how the Latin American cartels and gangs have forged alliances first with the Italian crime syndicates then with the Russians Africans and others On the one hand he charts an astonishing increase in sophistication and diversification as these criminal entities diversify into many other products and markets On the other he reveals the threat of violence to protect and extend power and how the nature of the violence has grown steadily more appalling Saviano is a journalist of rare courage and a thinker of impressive intellectual depth and moral imagination able to see the connections between far flung phenomena and bind them into a single epic story Most drug war narratives feel safely removed from our own lives Saviano offers no such comfort As heart racing as it is heady Zero Zero Zero is a fusion of a variety of disparate genres into a brilliant new form that can only be called Savianoesque **Zero Zero Zero** Roberto Saviano,2015-07-02 In Zero Zero Zero Roberto Saviano maps the international cocaine trade He investigates the evolution of cocaine trafficking from Mexican drug cartels to money laundering through Wall Street Tracking cocaine s physical journey from South America to the beaches of Miami and the streets of New York and on to Africa and throughout Europe and even further to China and India Saviano follows the human trail of users victims and traffickers First hand accounts will show how the global sale and consumption of cocaine has radically altered economies over recent decades and has impacted societies globally With these stories Saviano makes a secret world readable **Summary of Roberto Saviano's Zero Zero Zero** Everest Media,2022-05-16T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The people who use cocaine are right next to you The police officer who is about to pull you over has been snorting for years and everyone knows it 2 I was asked to write about a speech that had been recorded on an iPhone at a meeting The police wanted to know if the story went the way the young man said it had or if it had been staged 3

The police officer told me that the young man his informant had heard the only valuable lesson how to be in the world and had recorded it on the sly If I wrote about it and nobody did anything it would prove that the young man was telling the truth
4 The police officer read me the transcript he d made They d met in a room not far from where we were randomly seated not in a horseshoe like they do at ritual initiations The old Italian began speaking without even introducing himself

Criminality and Power in the Postcolonial City Maria Ridda,2022-11-21 This book investigates the literary imaginings of the postcolonial city through the lens of crime in texts set in Naples and Mumbai from the 1990s to the present Employing the analogy of a black hole it posits the discourse on criminality as a way to investigate the contemporary spatial manifestations of coloniality and global capitalist urbanity Despite their different histories Mumbai and Naples have remarkable similarities Both are port cities gateways to their countries and regional trade networks and both are marked by extreme wealth and poverty They are also the sites and symbolic battlegrounds for a wider struggle in which the North exploits the South and the South fights back As one of the characters of the novel The Neapolitan Book of the Dead puts it a narrativisation of the underworld allows for a discovery of a different city from its forgotten corners Crime provides a means to understand the relationship between space and society culture in a number of cities across the Global South by tracing a narrative of postcolonial urbanity that exposes the connections between exploitation and the ongoing coloniality of power
