Attacking the Standardized Exam Ronald S. Thompson,2011-09 I have spent the better part of the last 53 years taking well over a thousand multiple choice tests As a teenager I struggled through high school Armed with an average IQ and some fairly significant learning disabilities I barely graduating with a 1.4 grade point average However I was smart enough to figure out early on that much of academics and that achieving success in academics had far more to do with the ability to master multiple choice tests than raw intellect From there I began a 35 year study on the art and science of passing mastering and scoring high on multiple choice tests Despite a very substandard high school GPA I scored high enough on the SAT and the ACT to be accepted to the University of Michigan one of the top academic institutions in the Country Upon graduation from college I accepted a commission as an officer in the United States Marine Corps As a Marine Officer I completed dozens of military and civilian schools including a Masters Degree from Boston University and a Juris Doctor Degree from the University of Detroit School of Law In fact I earned a full ride military scholarship to law school based primarily on the fact I scored so highly on the Law School Aptitude Test 98th percentile Upon completion of law school I passed the Michigan Bar exam on the first attempt scoring 149 points on the multistate the multiple choice portion of the exam which was one question away from automatic passage at 150 they examiners do not need to grade the essay portion I have also taken and applied many of the Marine Corps concepts of discipline and mental toughness to the art of preparing for taking and passing multiple choice tests Resigning my commission and leaving the Marine Corps in 1990 I continued both my education as well as honing my test taking skills I currently hold 12 professional licenses and 5 professional designations which required me to pass several comprehensive and difficult multiple choice examinations I have also attended dozens of professional test preparation courses From those courses I have cherry picked all of the valuable lessons and test taking tips and have included those in this book One of the professional licenses I hold is a paramedic license As a paramedic I have gained a much greater understanding of the anatomy and physiology of test taking Test taking is all about the central nervous system which of course includes the brain However as I explain in this book it is clear that the sympathetic and parasympathetic nervous systems have as much to do with passing and failing multiple choice tests as does the brain

Accordingly I have also applied many of those principals in this book **Csap Test Strategy** Complete Test Preparation Inc,2016-01-24 Learn and practice proven multiple choice strategies for the CSAP including reading comprehension English grammar word problems and basic math If you are preparing for the Colorado Student Assessment Program Test you probably want all the help you can get CSAP Test Strategy is your complete guide to answering multiple choice questions Your complete CSAP test prep book You will learn Powerful CSAP multiple choice strategies with practice questions Learn 15 powerful multiple choice strategies and then practice Answer key for all practice questions with extensive commentary including tips short cuts and strategies How to prepare for a multiple choice exam like the CSAP make sure you are preparing properly and not wasting valuable study time Who does well on multiple choice exams and who does not and how to make sure you do How to handle trick questions usually there are one or two trick questions to separate the really good students from the rest tips and strategies to handle these special questions Step by step strategy for answering multiple choice on any subject Common Mistakes on a the CSAP and how to avoid them How to avoid test anxiety how to avoid one of the most common reasons for low scores on a test PERT test prep proper preparation for your exam will definitely boost your score How to psych yourself up for a test tips on the the all important mental preparation Learn what you must do in the test room Complete Test Preparation Inc is not affiliate with the makers of the CSAP exam who do not endorse this product Includes over 150 practice questions Once you learn our powerful multiple choice strategy techniques practice them right away on reading comprehension basic math and word problems Practice Really Does Make Perfect The more questions you see the more likely you are to pass the test And between our study guide and practice tests you ll have over 400 practice questions that cover every category You can fine tune your knowledge in areas where you feel comfortable and be more efficient in improving your problem areas Our practice test questions have been developed by our dedicated team of experts All the material in the study guide including every practice question are designed to engage your critical thinking skills needed to pass the test Heard it all before Maybe you have heard this kind of thing before and don t feel you need it Maybe you are not sure if you are going to buy this book Remember though it only a few percentage points divide the PASS from the FAIL students Even if our test tips increase your score by a few percentage points isn t that worth it Master COOP Multiple Choice Complete Test Preparation Inc,2025-06-11 Master COOP Multiple Choice Your Ultimate Guide to Success Strategies Expert Tips and Practice Questions for Cooperative Admissions Excellence You have arrived We have helped thousands of students and we can help you Unlock the door to academic success with Master COOP Multiple Choice the definitive resource for mastering the Cooperative Admissions test Designed with precision and expert insights this title is your key to acing this critical examination and securing your future What Makes Master COOP Multiple Choice Stand Out Expert Strategies Dive into proven multiple choice techniques crafted by leading educators and test professionals These strategies are tailored to help you navigate challenging questions with ease and confidence Test Tips Gain insider knowledge
