Management David G. Collings, Geoffrey Wood, Leslie T. Szamosi, 2025-06-06 Written by an international team of respected scholars, *Human Resource Management: A Critical Approach*, 3rd edition, adopts a critical perspective to examine the core management function of human resource management (HRM) in all its complexity, including its darker sides. Despite over three decades of debate around the nature of HRM, its intellectual boundaries, and its application in practice, the field continues to be dogged by several theoretical and practical limitations. This textbook opens with a critique of the very concept of HRM, tracing its development over time and then systematically analyses the context of HRM practice from HRM and international perspectives on HRM. New chapters commissioned for this third edition examine HRM and consider issues including diversity and inclusion, employee well-being, digitalisation, and AI, sustainable HRM, and gig work and job deconstruction. This textbook

is essential reading for advanced and inquisitive students of HRM and for HRM professionals seeking to deepen their understanding of the complexities of their field [HR Expert Diploma \(Master's level\) - City of London College of Economics - 15 months - 100% online / self-paced](#) City of London College of Economics, Overview In this diploma course you will deal with all aspects of Human Resource Management as well as in an international context to become an HR Expert Content Human Resource Management Human Resource Processes Work and Employment Organizational Behaviour Organization Design and Development People Resourcing Performance Management Learning and Development Rewarding People Employee Relations Health Safety and Employee Well being HR Policies Procedures and Systems Example of Employee Engagement and Commitment Survey Example of Performance Management Survey Example of Reward Survey Learning and Development Activities and Methods HRM in Europe HRM in East Asia HRM in Developing Countries Composing an International Staff Women s Role in International Management And much more Duration 15 months Assessment The assessment will take place on the basis of one assignment at the end of the course Tell us when you feel ready to take the exam and we ll send you the assignment questions Study material The study material will be provided in separate files by email download link [Human Resource Management in South Africa](#) ,1998 [Human Resource Management](#) Kelly A.
