Conflict Management and Resolution in Nigeria Ambily Etekpe, John T. Kalama, Young Ayotamuno, 2010

Introduction to Type and Conflict Damian Killen, 2003 Conflict can exist in many places and at many levels in an organization This 48 page booklet is a must have for practitioners looking for a conflict management model that works with type It includes comprehensive summaries of how the 16 types contribute positively to conflict situations what they need from others what their blind spots are how others perceive them how they look under stress what generates conflict for them and areas for development The booklet also offers tips on how to better approach conflict situations communication strategies and ways to resolve conflict in work situations

The Routledge Handbook of Ethnic Conflict Karl Cordell, Stefan Wolff, 2016-01-22 A definitive global survey of the interaction of ethnicity nationalism and politics this handbook blends rigorous theoretically grounded analysis with empirically rich illustrations to provide a state of the art overview of the contemporary debates on one of the most pervasive international security challenges today Fully updated for the second edition the book includes a new section which offers detailed analyses of contemporary cases of conflict such as in Ukraine Kosovo the African Great Lakes region and in the Kurdish areas across the Middle East thus providing accessible examples that bridge the gap between theory and practice The contributors offer a 360 degree perspective on ethnic conflict from the theoretical foundations of nationalism and ethnicity to the causes and consequences of ethnic conflict and to the various strategies adopted in response to it Without privileging any specific explanation of why ethnic conflict happens at a particular place and time or why attempts at preventing or settling it might fail or succeed The Routledge Handbook of Ethnic Conflict enables readers to gain a better insight into such defining moments in post Cold War international history as the disintegration of the Soviet Union and Yugoslavia and their respective consequences the genocide in Rwanda and the relative success of conflict settlement efforts in Northern Ireland By contributing to understanding the varied and multiple causes of ethnic conflicts and to learning from the successes and failures of their prevention and settlement the Handbook makes a powerful case that ethnic conflicts are neither unavoidable nor unresolvable but rather that they require careful analysis and thoughtful and measured responses

Management in Southern Africa, 2002 **Administration and Conflict Management in Japanese Coastal Fisheries**
Kenneth Ruddle, 1987 Sea tenure in Japanese coastal fisheries is a complex subject that is little known in the West It involves time honoured customary procedures for management and conflict resolution which may have been incorporated into modern legislation The Introduction reviews selected aspects of the general behavioural context within which the administration of Japanese fisheries and the resolution of conflicts should be viewed Since the degree of continuity with traditional management practises is an outstanding characteristic Chapter 1 describes and provides examples of the historical antecedents of the present situation Present day formal administration is described in Chapter 2 Systems of coastal sea tenure reflect an intimate interplay of formal government regulations and informal customary elements The latter are commonly of greater day to day importance than the former In Chapters 3 and 4 this is examined through the problems of conflict management and resolution proceeding from the personal and small scale level to the impersonal prefectural and national levels Developing Skills for Social Work Practice Michaela Rogers, Dawn Whitaker, David Edmondson, Donna Peach, 2016-11-26 Are your students struggling to get to grips with what social work actually looks like in real life practice Are they wanting to know more about how they can develop the right skills and implement the right theory in many different practice situations Then you have come to the right place This book will provide your students with everything they need to know and more helping them develop and hone their skills and make the best start in their practice placements To get the most out of this book and access more materials to support them through their social work degree visit the companion website at <https://www.study.sagepub.com/rogers> to read journal articles access how to guides and helpful links as well as hear first hand from frontline social workers services users carers and more **Handbook on Peace Education** Gavriel Salomon, Ed Cairns, 2011-02-25 This handbook encompasses a range of disciplines that underlie the field of peace education and provides the rationales for the ways it is actually carried out The discipline is a composite of contributions from a variety of disciplines ranging from social psychology to philosophy and from communication to political science That is peace education is an applied subject which is practiced in differing ways but must always be firmly based on a range of established empirical disciplines The volume is structured around contributions from expert scholars in various fields that underpin peace education plus contributions from experts in applying peace education in a range of settings all complemented by chapters which deal with issues related to research and evaluation of peace education Managing Environmental and Public Policy Conflicts Gordon Meeks, 1985 *Introduction to School Conflict Management* Ohio Commission on Dispute Resolution and Conflict Management, Ohio. Department of Education, Ohio. Board of Education, 2000 **Conflict management. Dealing with conflicts in companies** Barbara Groele, 2022-02-02 Seminar paper from the year 2007 in the subject Business economics Business Management Corporate Governance grade 1.0 University of applied sciences Neuss course Unternehmensführung im Mittelstand language English abstract Where people live and work together and want to

achieve common goals be it in the professional or private environment conflicting interests and potential for conflict can arise at the same time Conflicts are part of everyday life and are inevitable when people with different interests meet They are side effects of every human coexistence In today s age of increasing globalization intensifying competition and internationalization profit oriented companies are also subject to a constant field of tension between pluralistic interests Negative emotions are often associated with conflicts and conflicting interests as they can lead to escalations hardening and or the postponement of one s own goals In companies conflicts and conflicting interests can have massive consequences for the company s success and thus also for cooperation such as for example lockout transfer and or absenteeism However if the conflict opponents have negotiated their different interests and reached an agreement conflicts can certainly also be used as a driving force Accordingly there are also opportunities in conflicts e g for the beneficial further development of the company the joint finding of an optimal solution and to increase entrepreneurial creativity Due to these facts it makes sense for companies to analyze conflicts to deal with the advantages and disadvantages and to initiate appropriate measures
