Conscious Life Creating Your Reality:

Conscious Life Ramon Stevens,2008-02-01 Conscious Life explains the nature and purpose of our reality and how we create our reality A Conscious Life Funmi Oyetunji,2016-07-16 In my observation of lives around me I often wonder What happened there I imagine what that person might have done to contribute to the success or failure of their own life Usually a life attracts my attention because of its exceptionalityfor good or for bad Over time I have come to see that many people seem to wander through life just to wake up one day usually at about middle age and realize that their life had happened while they were not looking This is a clarion call and encouragement to consciousness and deliberateness in living the life one would be proud of in the end It is also a summary of the lessons I have learned from my own experiences or from books and other resources I have used in my quest for answers on the subject of life The chapters are arranged based on the different stages and aspects to point out signposts road junctions and time lines that the reader can expect to navigate on the journey of life It is to bring consciousness to the consideration and planning that the different aspects of life need for your own particular journey The book must not be read in a particular sequence you can read particular chapters or aspects as required by your particular stage situation or need for counsel at different times Different chapters will be more applicable and enlightening for different readers at different times It could be growing up and career building time for some marriage and parenting for others It might be about maneuvering middle and old age for yet another In the end no one can control all aspects of life all the time but you can be awake and write your own story by making things happen instead of just waiting and watching them happen accepting whatever life brings Make your life happen **Two Worlds, One Consciousness: Unifying Lucid Dreaming and Conscious Living** Steven Ernenwein,2011 UNBECOMING: A Journey Back to the Truth of Who You Are Nikita Datar,2025-05-15 Unbecoming The Journey Back to the Truth of Who You Are 10 Mindset Shifts to Break Free from Limiting Beliefs and Create a Life of True Success by Nikita Datar What if the life you dream of isn t about becoming more but unbecoming everything you re not In Unbecoming Nikita Datar invites you on a transformative journey to return to your truest self Through ten powerful mindset shifts this book unravels the layers of self doubt fear perfectionism and societal conditioning that keep you stuck and helps you remember who you ve always been beneath it all This book is for you if You constantly battle limiting beliefs and want to break free You re tired of chasing success and want to start embodying it You re ready to reclaim your voice honor your truth and live authentically You long for clarity peace confidence and alignment with your soul s purpose Each chapter offers relatable insights real world tools and soul deep guidance to help you overcome mental roadblocks connect to your inner power and create a life rooted in meaning not just achievement Unbecoming is not just a self help book it s a call to awaken You already hold the key Now it s time to unlock your potential and come home to the truth of who you are **The Source of Creation - Part 1: The Architect of Your Reality** J.S.
