Corporate Legal Compliance Handbook, 3rd Edition Banks and Banks, 2020-06-19 *Corporate Legal Compliance Handbook Third Edition* provides the knowledge necessary to implement or enhance a compliance program in a specific company or in a client's company. The book focuses not only on doing what is legal or what is right, the two are both important but not always the same, but also on how to make a compliance program actually work. The book is organized in a sequence that follows how to approach a compliance program. It gives the compliance officer, consultant, or attorney a good grounding in the basics of compliance law. This includes such things as the rules about corporate and individual liability, an understanding of the basics of the key laws that impact companies, and the workings of the U.S. Sentencing Guidelines. Successful programs also require an understanding of educational techniques, good communication skills, and the use of computer tools. The effective compliance program also takes into account how to deliver messages using a variety of media to reach employees in different locations, of different ages or education, who speak different languages. Note: Online subscriptions are for three-month periods.

It spells out the unique procedural requirements in a civil false claims action, from the applicability of statute of limitation rules to the scope of discovery under a civil investigation demand by the federal government, explains how to draft a whistleblower complaint, collect, organize, and interpret the controlling case law, directs you to the relevant statutory whistleblower provisions, rules, and regulations that apply to the issues under discussion, analyzes the legislative history of The False Claims Act, and explains why it is essential to the success of a prosecutor's or defense's cause of action, and alerts you to emerging trends in civil false claims and qui tam actions. For the best guidance on how to bring or defend a qui tam action, consult the civil false claims specialist John T. Boese. John T. Boese is an expert author and litigation partner in the Washington, DC law office of Fried, Frank, Harris, Shriver & Jacobson, with more than 25 years of experience in civil fraud cases, both as a former DOJ attorney and as defense counsel.
