Teacher Talk

Grandpa Joe continues his story, explaining why Willy Wonka's factory closed years ago: spies from rival companies stole his secret recipes. Wonka fired all workers and locked the gates. For months, the factory was silent, but then smoke appeared from the chimneys, and the machines started again though nobody ever saw workers enter or leave. Mysterious tiny shadows were seen inside, suggesting very small workers. Suddenly, news breaks: Willy Wonka will allow five children to visit his factory. Golden Tickets are hidden in five chocolate bars worldwide. The frenzy begins—people everywhere buy chocolate in hopes of finding a ticket. The first winner is Augustus Gloop, an enormously fat boy whose mother proudly defends his eating habits. The second winner is Veruca Salt, a spoiled girl whose wealthy father buys thousands of bars and forces his workers to unwrap them until they find a ticket. Charlie dreams of finding one in his birthday chocolate bar.

Activity

Golden Ticket Hunt Simulation Students design their own "Golden Ticket" challenge in the classroom. Hide tickets in books or envelopes and let students experience the excitement of the hunt.

Character Interview Students write and perform an interview with Augustus Gloop or Veruca Salt, imagining what they would say about winning the ticket and visiting the factory.
