- Explain the extent to which they consider the pricing of the competitors when deciding on its own pricing.

Appendices can carry all additional supporting documents (if any). When the company is not willing to share some of their information with you, do not push for information but create/imagine such information and complete the report. you may make reasonable assumptions and should move forward without filtering when unable to obtain some information. your report should be limited to 2000-2500 words (however, the answers should be sufficiently descriptive) excluding references and appendices. Appendices can carry all additional supporting documents (if any).

The report produced should be the result of your own work and should not be shared with the other colleagues. If any student is found to have reproduced or allowed to have the work reproduced, he/she would be liable to lose marks. Plagiarism will also result in reduced or zero marks.
