To Tell the Truth Connie D.

Griffin,2009 This text engages with current conversations in the popular field of creative nonfiction which ranges across memoir and biography the essay and literary journalism Designed to meet the growing need resulting from a burgeoning interest in narrative nonfiction To Tell the Truth emphasizes key elements common to all three major branches of the genre It assists creative nonfiction writers in developing a writing practice modeled to their unique needs it addresses the practical tasks of applying elements of craft in the actual process of generating shaping developing and revising material and it includes contemporary models that represent the rich range and diversity of the genre A key feature of the text one seldom found in books on the subject is the inclusion of a writers on writing section in each chapter providing personal essays that reveal writers internal processes that quirky quality we call creativity bringing in writers revelations about uniquely individual approaches to foiling the inner critic and breaking through writer s block **Writing Fiction** Janet Burroway,Susan Weinberg,2003 Earlier Topics include free writing to revision plot style characterization dialogue atmosphere imagery and point of view An anthology of diverse and contemporary short stories followed by suggestions for discussion and writing exercises illustrates concepts while offering variety in pacing and exposure to this increasingly popular form The book also discusses key issues including writing workshops using autobiography as a basis for fiction using action in stories using *English Studies* Bruce McComiskey,2006 Well known scholars in the field explore the important qualities and functions of English studies constituent disciplines Ellen Barton on linguistics and discourse analysis Janice Lauer on rhetoric and composition Katharine Haake on creative writing Richard Taylor on literature and literary criticism Amy Elias on critical theory and cultural studies and Robert Yagelski on English education and the productive differences and similarities among them that define English studies continuing importance Faculty and students in both undergraduate and graduate courses will find the volume an invaluable overview of an increasingly fragmented field as will department administrators who are responsible for evaluating the contributions of diverse faculty members but whose academic training may be specific to one discipline Each chapter of English Studies is an argument for the value the right to equal status of each individual discipline among all English studies disciplines yet the book is also an argument for disciplinary integration The American Humanities Index Stephen H.
