

A job interview

Here are some typical questions which might be used at an interview for a job

Are you married? Have you got any children?

Tell me about yourself. (Hobbies, interests.....)

What is your present job? What do you do? What are you doing at the moment?

Can you tell me about your responsibilities at your present/last job?

Why do you want to change jobs? What type of position are you looking for?

Are you interested in a full-time or part-time position?

Have you ever been unemployed before? If so, for how long?

How do you get on with people in general?

Do you mind taking on responsibilities?

Can you work on your own initiative?

Do you prefer giving orders to taking them?

How much do you expect to earn per month?

Would you be prepared to travel to foreign countries? Are you used to flying (air travel)?

What languages can you speak? Do you speak them fluently? Can you write them?

Where did you study English? How long did you study/have you been studying English?

What do you think are your strong points? What is your greatest strength?

What is your greatest weakness? What are you most proud of having done recently?
