the same when I moved beyond the big cities Whether it was Creole cooking in Louisiana or soul food in Georgia the Mexican influences in Arizona or the hearty cowboy cuisine of Big Sky Country every place I went had its unique treasures I came back with more recipes than I knew what to do with and although it was tough I managed to narrow this book down to 120 of my absolute favorites These are my takes on some of the best food I came across as well as a few things I made up along the way I hope you enjoy them and maybe even discover new and inspiring sides to America you've never seen before Enjoy
