include updates While XOBE s intentions lie on the development of web applications all objects can remain transient XOBEDBPL is supposed to deal with persistent objects as well **Electronic Commerce: Concepts, Methodologies, Tools, and Applications** Becker, Annie,2007-12-31 Compiles top research from the world s leading experts on many topics related to electronic commerce Covers topics including mobile commerce virtual enterprises business to business applications Web services and enterprise methodologies Proceedings 2004 VLDB Conference VLDB,2004-10-08 Proceedings of the 30th Annual International Conference on Very Large Data Bases held in Toronto Canada on August 31 September 3 2004 Organized by the VLDB Endowment VLDB is the premier international conference on database technology
