

the functional art

**an introduction to
information graphics
and visualization**

alberto cairo

"Welcome to Alberto's world. Cairo has done it all in *The Functional Art*: theory, practice, examples. And he's done it brilliantly. It is the most comprehensive and sensible book yet on real-world information graphics; we won't need another one for a long time."

Nigel Holmes, former graphics director for Time magazine and founder of Explanation Graphics

Includes a complete introductory
information graphics video course

The Functional Art An Introduction To Information Graphics And Visualization

Francesco Franchi

A decorative graphic element consisting of a light blue horizontal bar with a rounded right end, and a red circular glow behind it.

The Functional Art An Introduction To Information Graphics And Visualization:

The Functional Art Alberto Cairo, 2012-08-22 Unlike any time before in our lives we have access to vast amounts of free information With the right tools we can start to make sense of all this data to see patterns and trends that would otherwise be invisible to us By transforming numbers into graphical shapes we allow readers to understand the stories those numbers hide In this practical introduction to understanding and using information graphics you ll learn how to use data visualizations as tools to see beyond lists of numbers and variables and achieve new insights into the complex world around us Regardless of the kind of data you re working with business science politics sports or even your own personal finances this book will show you how to use statistical charts maps and explanation diagrams to spot the stories in the data and learn new things from it You ll also get to peek into the creative process of some of the world s most talented designers and visual journalists including Cond Nast Traveler s John Grimwade National Geographic Magazine s Fernando Baptista The New York Times Steve Duenes The Washington Post s Hannah Fairfield Hans Rosling of the Gapminder Foundation Stanford s Geoff McGhee and European superstars Moritz Stefaner Jan Willem Tulp Stefanie Posavec and Gregor Aisch The book also includes a DVD ROM containing over 90 minutes of video lessons that expand on core concepts explained within the book and includes even more inspirational information graphics from the world s leading designers The first book to offer a broad hands on introduction to information graphics and visualization The Functional Art reveals Why data visualization should be thought of as functional art rather than fine art How to use color type and other graphic tools to make your information graphics more effective not just better looking The science of how our brains perceive and remember information Best practices for creating interactive information graphics A comprehensive look at the creative process behind successful information graphics An extensive gallery of inspirational work from the world s top designers and visual artists On the DVD ROM In this introductory video course on information graphics Alberto Cairo goes into greater detail with even more visual examples of how to create effective information graphics that function as practical tools for aiding perception You ll learn how to incorporate basic design principles in your visualizations create simple interfaces for interactive graphics and choose the appropriate type of graphic forms for your data Cairo also deconstructs successful information graphics from The New York Times and National Geographic magazine with sketches and images not shown in the book All of Peachpit s eBooks contain the same content as the print edition You will find a link in the last few pages of your eBook that directs you to the media files Helpful tips If you are able to search the book search for Where are the lesson files Go to the very last page of the book and scroll backwards You will need a web enabled device or computer in order to access the media files that accompany this ebook Entering the URL supplied into a computer with web access will allow you to get to the files Depending on your device it is possible that your display settings will cut off part of the URL To make sure this is not the case try reducing your font size and turning your device to a landscape view This should cause the full URL to appear

The Functional Art Alberto Cairo, 2012 In this

introductory video course on information graphics Alberto Cairo goes into greater detail with even more visual examples of how to create effective information graphics that function as practical tools for aiding perception You ll learn how to incorporate basic design principles in your visualizations create simple interfaces for interactive graphics and choose the appropriate type of graphic forms for your data Cairo also deconstructs successful information graphics from The New York Times and National Geographic magazine with sketches and images not shown in the book Resource description page

Data Visualizations and Infographics Sarah K. C. Mauldin,2015-08-16 Graphics which visually represent data or complex ideas are oftentimes easier for people to understand and digest than standalone statistics A map shaded with different colors to represent religious affiliations or income levels enables researchers to quickly identify trends and patterns New free tools and applications offer librarians the opportunity to organize and manipulate data to quickly create these helpful graphics Learn how to overlay data sets on maps create infographics for library services and instruction use mindmapping for group brainstorming sessions produce detailed timelines process flowcharts diagrams and much more in this complete how to guidebook This complete how to guidebook provides you with the tools and inspiration you need to use infographics and data visualization techniques in your library to knock your audience s socks off as you tell your story in a visual format that can be consumed and understood at a glance You will learn how to use the tools you already have to create a simple infographic create a library services infographic using Piktochart create instructional infographics with Easel ly create interactive timelines mindmap your brainstorming meetings create library flowcharts and diagrams using Creately create interactive maps with imported data andcreate complex data visualizations **The Best American Infographics**

The Functional Art An Introduction To Information Graphics And Visualization Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Functional Art An Introduction To Information Graphics And Visualization PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting,

traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Functional Art An Introduction To Information Graphics And Visualization PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Functional Art An Introduction To Information Graphics And Visualization free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Functional Art An Introduction To Information Graphics And Visualization Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Functional Art An Introduction

To Information Graphics And Visualization is one of the best book in our library for free trial. We provide copy of The Functional Art An Introduction To Information Graphics And Visualization in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Functional Art An Introduction To Information Graphics And Visualization. Where to download The Functional Art An Introduction To Information Graphics And Visualization online for free? Are you looking for The Functional Art An Introduction To Information Graphics And Visualization PDF? This is definitely going to save you time and cash in something you should think about.
