Codex Lev Grossman:

Codex, 2013 Edward Wozny a hot shot young banker is sent to help one of his firm's most important and mysterious clients. When asked to uncrate and organize a personal library of rare books Edward's initial indignation turns to intrigue as he realizes that among the volumes there may be hidden a unique medieval codex, a priceless bound manuscript that has been kept sealed away for many years and for many reasons Edward's intrigue becomes obsession that only deepens as friends draw him into a peculiar and addictive computer game and mystifying parallels begin to emerge between the game's virtual reality and the legend of the codex.

El Codice Secreto Lev Grossman, 2004-10 [The Fire in Fiction](#) Donald Maass, 2009-05-06 Discover the Difference Between a So So Manuscript and a Novel Readers Can't Forget We've all read them novels by our favorite authors that disappoint. Uninspired and lifeless we wonder what happened. Was the author in a hurry? Did she have a bad year? Has he lost interest altogether? Something similar is true of a great many unpublished manuscripts. They are okay stories that never take flight. They don't grip the imagination let alone the heart. They merit only a shrug and a polite dismissal by agents and editors. It doesn't have to be that way. In [The Fire in Fiction](#) successful literary agent and author Donald Maass shows you not only how to infuse your story with deep conviction and fiery passion but how to do it over and over again. The book features Techniques for capturing a special time and place, creating characters whose lives matter, nailing multiple impact plot turns, making the supernatural real, infusing issues into fiction, and more. Story enriching exercises at the end of every chapter to show you how to apply the practical tools just covered to your own work. Rich examples drawn from contemporary novels as diverse as *The Lake House*, *Water for Elephants*, and *Jennifer Government* to illustrate how various techniques work in actual stories. Plus Maass introduces an original technique that any novelist can use any time in any scene in any novel even on the most uninspired day to take the most powerful experiences from your personal life and turn those experiences directly into powerful fiction. Tap into [The Fire in Fiction](#) and supercharge your story with originality and spark.
