Abstract

As technology continues to shape the modern world, political speeches are no longer confined to podiums but are shared and have far-reaching consequences in the online world. This research analyzes the language of Duterte's State of the Nation Addresses (SONAs) to understand the speech acts within them and to show how political power is exercised through language in digitally mediated contexts. It is based on speech act theory and employs a qualitative-descriptive design, analyzing the SONAs to identify communicative functions and patterns of language use to reveal linguistic governance. The analysis brought to light seven speech acts: Assertive, Directive, Commissive, Expressive, Declarative, Quotational, and Poetic. Assertive Acts were most prevalent during the 2019 SONA with a total of 68 occurrences, followed by other forms of lesser prominence such as Commissive (n=33), Directive (n=21), Expressive (n=20), with even lower counts of Declarative (n=3), Quotational (n=4), and Poetic (n=1). Observing the 2020 SONA also shows prominence of Assertive Acts (n=84). Notable were also instances of Directive (n=40), and other lesser forms such as Commissive (n=15), Expressive (n=16), Declarative (n=6), Quotational (n=1), and Poetic (n=1). The prominence of both assertive and directive types indicates the president's focus on performative governance: commanding political power, enforcing state narratives and shaping public feelings through speeches. Given that these addresses are issued and consumed extensively online, their rhetorical techniques enhance digital governance through steering public discourse and the interpretation of policies, creating a collective regard towards them. This highlights the importance of speech acts in analyzing political language as a tool for governing within the digitally connected public sphere.

Keywords: digital sphere, governance, political speeches, speech act analysis, state of the nation address

Journal Speech Act Analysis:

The Pragmatics of Politeness Geoffrey Leech, 2014-06-16 This readable book presents a new general theoretical understanding of politeness. It offers an account of a wide range of politeness phenomena in English illustrated by hundreds of examples of actual language use taken largely from authentic British and American sources. Building on his earlier pioneering work on politeness, Geoffrey Leech takes a pragmatic approach that is based on the controversial notion that politeness is communicative altruism. Leech's 1983 book *Principles of Pragmatics* introduced the now widely accepted distinction between pragmalinguistic and sociopragmatic aspects of politeness; this book returns to the pragmalinguistic side, somewhat neglected in recent work. Drawing on neo-Gricean thinking, Leech rejects the prevalent view that it is impossible to apply the terms polite or impolite to linguistic phenomena. Leech covers all major speech acts that are either positively or negatively associated with politeness, such as requests, apologies, compliments, offers, criticisms, good wishes, condolences, congratulations, agreement and disagreement. Additional chapters deal with impoliteness and the related phenomena of irony, mock politeness and banter, mock impoliteness, and with the role of politeness in the learning of English as a second language. A final chapter takes a fascinating look at more than a thousand years of history of politeness in the English language.

The Routledge Handbook of Pragmatics Anne Barron, Yueguo Gu, Gerard Steen, 2017-01-20 The *Routledge Handbook of Pragmatics* provides a state-of-the-art overview of the wide breadth of research in pragmatics. An introductory section outlines a brief history, the main issues, and key approaches and perspectives in the field, followed by a thought-provoking introductory chapter on interdisciplinarity by Jacob L. Mey. A further thirty-eight chapters cover both traditional and newer areas of pragmatic research, divided into four sections: Methods and modalities; Established fields; Pragmatics across disciplines; Applications of pragmatic research in today's world. With accessible, refreshing descriptions and discussions, and with a look towards future directions, this Handbook is an essential resource for advanced undergraduates, postgraduates, and researchers in pragmatics within English language and linguistics and communication studies.

Cycle Of Discourse Tantri R. Indhiarti, M.A.; Eni Maharsi, M.A., 2022-12-02 Furthermore, in this book, discourse analysis is treated as a rigorous way in texts that are organised as a series of overviews of the research topics such as narrative, media, discourse, gender, and institutional discourse throughout the social sciences. As seen in the book, the writers set out to answer many kinds of questions about language and about culture and society. It is performed by paying systematic attention to particular contexts and particular sets of utterances. This will help alleviate a problem in teaching discourse analysis that of ending up with the students who are unable to perform analyses going much beyond paraphrasing.

Proceedings of the Twentieth Annual Conference of the Cognitive Science Society Morton Ann Gernsbacher, Sharon J. Derry, 2022-05-16 This volume features the complete text of the material presented at the Twentieth Annual Conference of the Cognitive Science Society. As in previous years, the symposium included an interesting mixture of papers on many topics from researchers with diverse

backgrounds and different goals presenting a multifaceted view of cognitive science This volume contains papers posters and summaries of symposia presented at the leading conference that brings cognitive scientists together to discuss issues of theoretical and applied concern Submitted presentations are represented in these proceedings as long papers those presented as spoken presentations and full posters at the conference and short papers those presented as abstract posters by members of the Cognitive Science Society *The Southwestern Journal of Philosophy* ,1972 Includes the proceedings of the Southwestern Philosophical Society [The Journal of the American Forensic Association](#) American Forensic Association,1986 *Politics and Identity Formation in Southeastern Nigeria* Apollos O. Nwauwa,Ogechi E. Anyanwu,2019-05-20 Scholarly studies on the Igbo have been scant and fragmented Politics and Identity Formation in Southeastern Nigeria The Igbo in Perspective fills an obvious gap exploring the social cultural economic political and aesthetic traditions that distinguish the Igbo of southeastern Nigeria from their neighbors In scope content and analysis this book is both multi and cross disciplinary focusing on the experiences and forces that have shaped the Igbo society identity formation and sociocultural political and aesthetic representations Themes such as the importance of Igbo names in understanding the people s social linguistic religious gender and cultural identities as well as the intersection of language politics socialization education and aesthetic expression in the Igbo experience in Nigeria are interrogated in a refreshing fashion with an appreciable level of originality **Analytic Philosophy of Religion** James Franklin Harris,2013-03-14 When Gene Long editor of Kluwer s Handbook of Contemporary Philosophy of Religion Series first invited me to write the volume on Analytic Philosophy of Religion I accepted with great enthusiasm My only explanation for that enthusiasm now is that I was younger and more naive at the time Soon after starting work on the volume my enthusiasm was dampened by the daunting magnitude of the task I began as a sprinter and quickly settled into the pace of a long distance runner Although I considered myself well read in the subject I soon discovered that I had a great deal of research to do to be confident that I had considered all of the major contributions to the various discussions issues and of religion As I read more and more problems found within analytic philosophy books and articles I realized that I had rushed into a territory already well trodden by the angels I am greatly impressed by the sophistication and subtlety of philosophical argument that characterize the different debates in contemporary analytic philosophy of religion This volume covers a vast amount of material I have endeavored to provide the fairest possible reading of different authors and in cases where I include my own critical evaluations and develop my own positions I have endeavored to provide the strongest possible interpretations of the positions I criticize *Journal of Research on Computing in Education* ,1999 [Dialogue Journal Communication](#) Jana Staton,1988 The thesis of this volume is that writing done by students who control their own topics who have genuine purposes for writing and have a real known audience is quite different and valuable in its own right It forms a rich source of information about how young students think manage their social interactions and use language with competence to get things done By

selecting dialogue journal writing as a corpus for analysis it is possible to observe children's communicative competence in using written language purposefully apart from their ability to master a particular form of writing The central argument is that dialogue journal communication represents a kind of personal literacy prior to and more comprehensive than the particular literacies emphasized and assessed in schools The contents include a practitioner's view of the practice itself and a summary of the research study methods developed to analyze interactive written conversations

Journal of Dramatic Theory and Criticism, 1993 Papers and Studies in Contrastive Linguistics, 2001 Vol 1 contains papers delivered at the 2d Karpacz Conference on Contrastive Linguistics 1971

Speech Act Performance Alicia Martínez Flor, Esther Usó Juan, 2010 Speech acts are an important and integral part of day to day life in all languages In language acquisition the need to teach speech acts in a target language has been demonstrated in studies conducted in the field of interlanguage pragmatics which indicate that the performance of speech acts may differ considerably from culture to culture thus creating communication difficulties in cross cultural encounters Considering these concerns the aim of this volume is two fold to deal with those theoretical approaches that inform the process of learning speech acts in particular contextual and cultural settings and secondly to present a variety of methodological proposals grounded on research based ideas for the teaching of the major speech acts in second foreign language classrooms This volume is a valuable theoretical and practical resource not only for researchers teachers and students interested in speech act learning teaching but also for textbook writers wishing to have an informed opinion on the pedagogical implications derived from research on speech act performance

Linguistics and Language Behavior Abstracts, 2006 *Clinical Aphasiology* Thomas E. Prescott, 1991 Clinical Aphasiology Robert H. Brookshire, 1979 **Clinical Aphasiology**, 1975 **Current Index to Journals in Education**, 1998-10

Naturalism and Deontology Dennis A. Rohatyn, 1975 No detailed description available for Naturalism and deontology

Speech Acts in the History of English Andreas H. Jucker, Irma Taavitsainen, 2008-04-10 Did earlier speakers of English use the same speech acts that we use today Did they use them in the same way How did they signal speech act values and how did they negotiate them in case of uncertainty These are some of the questions that are addressed in this volume in innovative case studies that cover a wide range of speech acts from Old English to Present day English All the studies offer careful discussions of methodological and theoretical issues as well as detailed descriptions of specific speech acts The first part of the volume is devoted to directives and commissives i e speech acts such as requests commands and promises The second part is devoted to expressives and assertives and deals with speech acts such as greetings compliments and apologies The third part finally contains technical reports that deal primarily with the problem of extracting speech acts from historical corpora

Journal Speech Act Analysis Introduction

In the digital age, access to information has become easier than ever before. The ability to download Journal Speech Act Analysis has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Journal Speech Act Analysis has opened up a world of possibilities. Downloading Journal Speech Act Analysis provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Journal Speech Act Analysis has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Journal Speech Act Analysis. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Journal Speech Act Analysis. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Journal Speech Act Analysis, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Journal Speech Act

Analysis has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Journal Speech Act Analysis Books

1. Where can I buy Journal Speech Act Analysis books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
