### District Proficiency Test

#### 1) Reading Comprehension

##### a) Vocabulary

- i) *Description of Content:* Questions in the vocabulary section require you to identify the word whose meaning is similar (synonym) or opposite (antonym) to that of the target word.
- ii) *Sample Question:*  
Choose the word that is **MOST** similar in meaning to the underlined word.

dependent

- A) disheartened\*
- B) cheerful
- C) focused
- D) attentive

The correct answer is A. Both dependent and disheartened refer to a loss of morale, a sense of discouragement, or loss of spirit.

##### b) Reading Comprehension

- i) *Description of Content:* Questions on the reading comprehension section contain a paragraph or passage that you must read in order to determine the main idea or meaning of the content. Some correct responses will be based on the literal statements contained within the paragraph, while others will require you to infer the response that best expresses the meaning of the paragraph.

Most paragraphs have one sentence that states the author's main idea about the topic. This **topic sentence** acts as a transition between a paragraph's subject and its details. It is more specific than just a subject, and more general than the details.

A topic sentence typically has two functions:

- It unifies the paragraph by stating one main idea.
- It organizes the details presented in the paragraph.

To identify a topic sentence, ask yourself questions about the topic and the details of the paragraph.

- What is the entire paragraph about? (the subject)
- What information about the subject is provided? (details)
- What do the details tell you about the subject? What conclusions can be drawn? (The topic sentence)

Once you have identified the topic sentence and understand the main point of the paragraph, you are ready to select a response. To select the best and most appropriate response, you should ask yourself which response option:

1. expresses the main point?
2. can be inferred by the passage?
3. describes the purpose of the passage?
