original ideas regarding religion One of these is attributed to the Patriarch Abraham whose reflection on Deity and how to relate to spirituality predominates in the three great Western religions The other original thought is found in Hinduism reflecting an entirely different way to relate to Deity Because Hinduism is a Far Eastern phenomenon not readily accessible in the West I've included an overview of Hinduism so that the Western and Jewish views can be appreciated A new topic reflect on the Atrocity Soul and its counterpart reflecting of the Son of Darkness and the Son of Light each bringing messages one of despair and darkness and the other of hope and redemption While these persons may be religious it is not a primary matter to the Son of Light but their message of hope predominates I conclude the book with a discussion on Calculating Zero an advancement only made twice in human history in the New World by the Maya and by the ancient Mesopotamians Each of the essays and reviews reflects my understanding of these and other diverse topics Each essay provides grist for discussion and reflection The Publishers Weekly, 1895

Galatians Bruce Bickel, Stan Jantz, 2008 Free Unearned A gift God's acceptance comes with no strings attached as you trust in His Son Jesus This is the whole gospel But for 2000 years Christians including the first century Galatians have often believed they must add performance requirements to the gospel in order to truly earn God's approval Listen in as the apostle Paul blows the lid off this self-deception by explaining why the Good News becomes bad news when you mix it with rules how to sniff out people who are promoting a false rules added gospel why adding requirements to God's grace actually subtracts from your enjoying Christ why trust is the only thing needed to receive God's grace and live in it day to day Galatians shows you that life in God's Spirit through His grace is still His plan for freedom so you can live out your full potential as His child Book jacket
