*API Specification Q2, published in December 2011: Quality Management System for Service Supply Organizations for the Petroleum and Natural Gas Industries.*

The American Petroleum Institute (API) is the sole trade association that represents all aspects of the oil and natural gas industry within the United States for over 75 years.

While API's primary focus is national, the organization is recognized globally. Similar to the International Organization for Standardization (ISO), API develops standards that are specific to the oil and gas industry.
