Throughout this course, you will be completing the Biltrite Practice Case found in your LoudCloud classroom. This practice case allows you to apply auditing concepts to a "real-life" client and to use your computer as an audit-assist device. The practice case consists of 15 modules, each of which will require organizational charts, spreadsheet calculations, and narrative answers. Therefore, you will likely have both an Excel spreadsheet and a Word document for each submission. Please use the following naming convention for all of your assignment submissions: LastName.FirstInitial.Part#.

Please note that you will be submitting the Biltrite Modules four times during the semester (at the end of Modules 2, 4, 6, and 8), so please be sure to pace yourself as you work. Download the data files from LoudCloud to your computer to be used throughout the course.
