

THE BEATLES

1965

Yesterday

Yesterday all my troubles seemed so far away.
Now it looks as though they're here to stay.
Oh, I believe in yesterday.

Suddenly, I'm not half the man I used to be.
There's a shadow hanging over me.
Oh, yesterday came suddenly.

Why she had to go?
I don't know, she wouldn't say.
I said something wrong.
Now I long for yesterday.

Yesterday love was such an easy game to play.
Now I need a place to hide away.
Oh, I believe in yesterday.

Why she had to go?
I don't know, she wouldn't say.
I said something wrong.
Now I long for yesterday.

Yesterday love was such an easy game to play.
Now I need a place to hide away.
Oh, I believe in yesterday.

, 2016-10-13 Many books have appeared over the years about the Beatles lyrics about the words of those songs which the

whole world knows and sings and will sing for ever as long as we have the breath to hum the tunes But no one has ever tried to track down and publish the original versions of the classic songs showing the words in the Beatles own handwriting how they first wrote them how they scribbled them down on pieces of paper or backs of envelopes with all the crossings out and changes By revealing and publishing these original manuscripts for the first time we gain a unique insight into the creative process of Lennon and McCartney how they did it what they were thinking how they changed their minds and then came up with the words we now all know Such a book has never been published firstly because of copyright reasons with ownership divided between Michael Jackson and Sony and secondly because no one has been able to track them all down The author of the only authorised biography of The Beatles Hunter Davies has sought out nearly one hundred Beatles lyrics His expert introduction describes the creativity of the greatest ever rock band then he lists and illustrates each song in chronological order putting each song in context what the Beatles were doing at the time how and when they came to write and then record it how the original version differs from the final one The wonder is that almost every Beatles song has a great story behind it whether it is In My Life For No One Yesterday Eleanor Rigby or Yellow Submarine The Beatles and the Beatlesque: A Crossdisciplinary Analysis of Sound Production and Stylistic Impact Dario Martinelli, Paolo

Bucciarelli,2023-07-30 The Beatles and the Beatlesque address a paradox emanating from The Beatles music through a cross disciplinary hybrid of reflections drawing from both musical practice itself and academic research Indeed despite their extreme stylistic variety The Beatles songs seem to always bear a distinctive identity that emerges even more in similar works by other artists whether they are merely inspired derivative or explicitly paying homage The authors a musicologist and music producer emphasize the importance of record production in The Beatles music in a way that does justice not only to the final artifacts the released songs but also to the creative process itself i e the songs in the making Through an investigation into the work of George Martin and his team as well as The Beatles themselves this text sheds light on the role of the studio in shaping the group s eclectic but unique sound The chapters address what makes a song Beatlesque to what extent production choices are responsible for developing a style production being understood not as a mere set of technicalities but also in a more conceptual way as well as the aesthetics semiotics and philosophy that animated studio activity The outcome is a book that will appeal to both students and researchers as well as of course musicophiles of all kinds
