What To Do When You Get Hacked Shimon Brathwaite,2022-11-16 What To Do When You Get Hacked A Practitioner s Guide to Incident Response in the 21st Century teaches you everything that you need to know about preparing your company for a potential data breach We begin by talking about what the latest cybersecurity threats and attacks are that your company needs to be prepared for Once we establish that we go into the different phases of the incident response lifecycle based on the NIST framework This will teach you how to properly prepare and respond to cybersecurity incidents so that you can be sure to minimize damage and fulfill all of your legal requirements during a cyberattack This book is meant for the everyday business owner and makes these concepts simple to understand and apply

Hacked Kevin F. Steinmetz,2016-11-29 Inside the life of a hacker and cybercrime culture Public discourse from

pop culture to political rhetoric portrays hackers as deceptive digital villains But what do we actually know about them In *Hacked* Kevin F Steinmetz explores what it means to be a hacker and the nuances of hacker culture Through extensive interviews with hackers observations of hacker communities and analyses of hacker cultural products Steinmetz demystifies the figure of the hacker and situates the practice of hacking within the larger political and economic structures of capitalism crime and control This captivating book challenges many of the common narratives of hackers suggesting that not all forms of hacking are criminal and contrary to popular opinion the broader hacker community actually plays a vital role in our information economy *Hacked* thus explores how governments corporations and other institutions attempt to manage hacker culture through the creation of ideologies and laws that protect powerful economic interests Not content to simply critique the situation Steinmetz ends his work by providing actionable policy recommendations that aim to redirect the focus from the individual to corporations governments and broader social issues A compelling study *Hacked* helps us understand not just the figure of the hacker but also digital crime and social control in our high tech society *Hacked* Ray Daniel,2017-06-08
