

Anatomical Directions Practice Worksheet

Name _____ Date _____ Page _____

Directions: Using anatomical terms, the teacher provides descriptions of structures and locations.

Use each line on the answer sheet only once in the correct form.

1. Label the left and right side for each of the illustrations.
2. The illustration on the left is in the anatomical position. Explain some other views.

3. Using the directions in each box below, identify the location by giving the letters in the correct order. For example: The letter "R" is used for the right side. "Distal" is used to describe structures that are further away from the point of attachment or the other "R" is written out below the right side (away from the leg).

Anterior Anatomical Directions List

- A. Arm above the right level
- B. Anterior side of the torso
- C. lateral to the left leg toe
