QuickBooks Online Environment

Navigating QuickBooks Online

The QuickBooks Online Toolbar (or **QBO Toolbar**) runs along the top of the application window. The **Navigation Menu** runs along the left side of the window and contains the **+ Create Button**, used to create new transactions, and links to the company file's pages. When a page is selected in QuickBooks Online, its contents appear in the **Content window**. Many "Save" buttons in forms within the Content window have an arrow that provides additional save options. The button names ("Save and new," "Save and close," etc.) often default to the save option last used within that form. [View and close](#)
