Lambert, Hendricks & Ross

If you ever plan to motor west,
travel my way, take the highway that is best.
Get your kicks on Route sixty-six.

It winds from Chicago to LA,
more than two thousand miles all the way.
Get your kicks on Route sixty-six.

Now you go through Saint Louis, Joplin, Missouri
And Oklahoma City is mighty pretty.
You see Amarillo, Gallup, New Mexico, Flagstaff Arizona.
Don't forget Winona, Kingman, Barstow, San Bernandino.

Won't you get hip to this timely tip,
When you make that California trip
Get your kicks on Route sixty-six.

Won't you get hip to this timely tip:
when you make that California trip
Get your kicks on Route sixty-six.
Get your kicks on Route sixty-six.
Get your kicks on Route sixty-six.

Hip to the Trip Peter B. Dedek,2026-03-03 This fully revised and updated edition of Peter B Dedek s classic is a thorough

dive into the history and current delights of America's Road in time for its 100th birthday In 2026 Route 66 reached a major mile marker it has celebrated its one hundredth anniversary Commissioned by the federal government as US Highway 66 in 1926 Route 66 has weathered many bumps in the road The old road even survived a near death experience in 1985 when it was bypassed by interstate highways and officially decommissioned only to rise again as a historic landmark and symbol of the independent American spirit and America's love affair with the automobile Although much along the historic highway has been lost over the years Route 66 still has a lot to offer Old motels vacant gas stations vintage restaurants and decayed tourist traps have been preserved and transformed into sites of reverence and memory In the past few decades the highway has evolved into a linear community a heritage corridor an American route of pilgrimage sustained by a series of preserved landmarks visited by tourists from all over the world More recently built museums visitors centers roadside parks and Route 66 themed businesses offer tourists the chance to experience myriad aspects of the highway and the ideas it represents This book examines the many meanings of Route 66 and how they relate to its past present and future More an idea than a highway Route 66 symbolizes a sense of freedom and benign rebellion against the constrained routines of modern life a place where one can wander and live in the moment The old road also represents community wholesome enjoyment and an entrepreneurial independent spirit Route 66 is a road of stories and legends

The Sounds of People and Places George O. Carney, 2003 The new edition of this popular anthology brings together the best recent essays by distinguished geographers on region music and their interrelatedness While emphasizing the regional nature of American music the book introduces geographical concepts such as location factors spatial organization distribution and diffusion The study follows the paths of four types of American folk and popular music gospel country jazz and rock from their origins to their geographic centers *Historic Illinois*, 1994 *Guidance from Francis Thompson in Matters of Faith* John Alexander Hutton, 1926 *Atkinson's Evening Post and Philadelphia Saturday News*, 1963-10

Popular Song Alan Lewens, 2001 A lavishly illustrated in depth look at 100 of the most influential popular songs of the 20th century with information on the singers songwriters and sessions 160 illustrations *Route 66 Theme Song Game - We Still Do Give a Whoot!* Joshua Kind, 2023-07-21 66 The Route We still do give a whoot on 66 the route This is the theme song of Whoot 66 which is the name of our celebration of the 100 year anniversary of Route 66 from 1926 to 2026 You might say that the route already has a theme song however you might agree that Route 66 is more than about only heading West and includes way more than only 13 cities For the next 100 years of Route 66 there could be a new theme song that allows people to add their own verses to include their own experience whether traveling West or East or about any of the hundreds of interesting points along the way This theme song would consider that while there always seems to be some sort of trouble there are also many reasons to laugh at ourselves and sing about the silly things that we cause for ourselves where the laughter can help us move forward to better places and more smiling faces So go ahead and write your own verse laugh at yourself while you travel on this journey

If you still do give a whoot even though you might have plenty of troubles you might find a whole lot of others like yourself as you travel on 66 the route Meet those people on the route and get together for campfires and have fun making up new verses for the 66 The Route theme song together Sing acapella with friends or play it on a guitar or ukulele *Ticket to Everywhere* Dave Hoekstra,2000 [Press Summary - Illinois Information Service](#) Illinois Information Service,2002-04
