

SNOW WHITE AND THE SEVEN DWARFS

Narrator Abigail: Once upon a time, a Queen was sitting at a window in her castle. She was sewing with the window open, to watch the flakes of winter snow. She pricked her finger with her needle and three drops of blood fell onto the windowsill. The blood was red, the snow was white, the windowsill was black.

Queen Shayn: "I wish I had a daughter with skin as white as snow, lips as red as blood, and hair as black as ebony".

Narrator Ashley: Sometime later, the Queen gave birth to a little girl, who she named Snow White. But sadly, the Queen died giving birth and Snow White was left without a mother.

Narrator Shayne: The King soon married again. His new wife was very beautiful, but she was also a witch. The new Queen also had a magic mirror. Every morning, she asked the mirror the same question.

Queen Ghab: "Mirror, mirror, on the wall, who is the fairest of them all?"

Narrator Abigail: Every morning, the mirror told the Queen that she was the fairest of them all. For years, the Queen was content, but one day, when Snow White was seven years old, the Mirror said that the princess was now fairer than the Queen.

Narrator Ashley: The Queen couldn't bear it. She was so jealous and angry that she ordered a huntsman to take Snow White into the woods and kill her. She told him to return with her heart as proof of her death. But, when the Huntsman took Snow White into the forest, he found he couldn't bear to kill her. As he raised the knife to kill her, Snow White begged for her life.

Snow White Irene: No! no! I promised to run far away and never return to the castle again.

Narrator Shayb: Reluctantly, as he was very scared of the Queen, the Huntsman agreed and killed a wild animal instead, so he could present the Queen with its heart.

Narrator Abigail: Snow White walked through the forest for hours. Finally, she came to a small cottage. The door was unlocked, so she stepped inside. Everything in the cottage was small, and there were seven of everything. Snow White was very hungry, thirsty, and very tired. She ate some of the food, drank some of the wine and tucked herself up in one of the beds. She soon fell asleep.

Narrator Ashley: A few hours later, she woke to find seven small men around her. The men were dwarfs, returned from a day of work in the mines. Though initially alarmed at the idea that someone had broken into their home, the dwarfs soon took pity on the little girl, when she explained her stepmother's plan to kill her. They agreed that she could stay with them if she took on the cooking and cleaning of the cottage. Snow White was delighted.

Dwarf Imuel: "One final rule".

Dwarf Dwayne: "You must be careful when alone at home. Don't speak to any strangers, or let them in the house".

Narrator Shayn: Ten years passed. Snow White grew into a lovely, beautiful young woman, and she was getting on well with the dwarfs. The evil Queen, meanwhile, was still obsessed with the idea of her own
