Secret Path:

The Secret's Path Melissa Saholt,2013-10-28 Meet Sadie Sinclair an ordinary fifteen year old girl with an ordinary life She goes to school has friends and loves her family The only thing that makes Sadie different from those around her is the fact that she was found on her familys doorstep fifteen years ago abandoned by her birthparents Sadie soon discovers she has an extraordinary secret Her exploration of this secret takes her down a fascinating and emotional path that forces her to leave her hometown of Cheyenne and everything she has ever known As Sadie embarks on her quest readers will travel with her between worlds to find that one thing every person desires acceptance of their true self *The Copper-Colored Mountain* Jigme Lingpa,2022-11-01 A translation of Jigme Lingpa s eighteenth century Tibetan Buddhist aspiration prayer for taking rebirth in the pure land Copper Colored Mountain accompanied by a commentary and analysis by the translators While Pure Land Buddhism is generally thought of as an East Asian tradition with an Indian origin the Copper Colored Mountain is in fact the first and only pure land with scriptural origins entirely in the Tibetan tradition It represents Tibetan culture s fascinating intersection of traditional history with liturgical tantric practice The Copper Colored Mountain is understood to be the current abode of Padmasambhava the Indian master credited with first bringing Buddhism to Tibet and founding Tibet s first monastery Samye After leaving Tibet it is said that Padmasambhava set up residence on C mara one of the two islands on either side of the continent of Jambudvipa our world according to Buddhist cosmology After taming the resident ogres of C mara and converting them to Buddhism he then built an octagonal palace where Buddhist practitioners may be transported in visions and dreams or reborn through aspiration prayers This work is a translation and analysis of one such aspiration prayer This prayer was composed by Jigme Lingpa a treasure revealer of the Nyingma tradition in the eighteenth century and remains the most important prayer to this pure land in Tibetan Buddhism Merging academic precision in representing the Tibetan texts and devotion to the principles of tantric Buddhism translators Georgios T Halkias and Christina Partsalaki enable a wider appreciation of the history and impact of this prayer in Tibetan Buddhist literature while elucidating its meaning for Buddhist practitioners
