Leading figures in the digital humanities explore the field's rapid revolution Big Research Questions about the Human Condition Arne Jarrick,2020-11-30 The book is a manifesto like essay aiming to redress some globally present drawbacks characterizing current research in the humanities 1 Fragmentation and thematic volatility 2 A reluctance to acknowledge that humanities research is a truth seeking enterprise as all scientific research 3 A certain unwillingness or inability to ask clear questions and to provide distinct answers to these questions The book consists of three parts A Introduction where the problem and the purpose of the book is presented B six chapters each presenting a certain topic that I suggest that humanist scholars gather around with sustained efforts C Conclusion with some words of how to proceed and a section discussing what the humanities or should and are not or should not be National Union Catalog ,1979 Includes entries for maps and atlases *Handbook of Research on Media Literacy in the Digital Age* Yildiz, Melda N.,Keengwe, Jared,2015-12-02 With the current ubiquity of technological tools and digital media having the skillset necessary to use and understand digital media is essential Integrating media literacy into modern day education can cultivate a stronger relationship between technology educators as well as students The Handbook of Research on Media Literacy in the Digital Age presents key research in the field of digital media literacy with a specific emphasis on the need for pre service and in service educators to become familiar and comfortable with the current digital tools and applications that are an essential part of youth culture Presenting pedagogical strategies as well as practical research and applications of digital media in various aspects of culture society and education this publication is an ideal reference source for researchers educators graduate level students and media specialists **National Foundation on the Arts and the Humanities, Questions and Answers** United States. Congress. Senate. Committee on Labor and Public Welfare. Special Subcommittee on Arts and Humanities,1965 The National Union Catalogs, 1963- ,1964 **Legislation Concerning Education and Training Considered by the Committee on Education and Labor** Library of Congress. Legislative Reference Service,1965 **The Routledge Companion to Public Humanities Scholarship** Daniel Fisher-Livne,Michelle May-Curry,2024-05-31 Across humanities disciplines public scholarship brings academics and community members and organizations together in mutually beneficial partnership for research teaching and programming While the field of publicly engaged humanities scholarship has been growing for some time there are few volumes that have attempted to define and represent its scope The Routledge Companion to Public Humanities Scholarship brings together wide ranging case studies sharing perspectives on this work grounded in its practice in the United States The collection begins with chapters reflecting on theories and practices of public humanities scholarship The case studies that follow are organized around six areas of particular impact in public humanities scholarship Informing

contemporary debates amplifying community voices and histories helping individuals and communities navigate difficult experiences preserving culture in times of crisis and change expanding educational access and building and supporting public scholarship The Companion concludes with a glossary introducing select concepts Taken together these resources offer an overview for students and practitioners of public humanities scholarship creating an accessible vocabulary rooted in the practices that have so advanced academic and community life Although drawing on case studies from the US these examples offer perspectives and insights relevant to public humanities around the world This book will be of interest to anyone working within the public humanities or wanting to make their work public and engage with wider communities
