

# Introduction to Ethics

March 11, 2018

University of Southern California  
LAW CENTER FOR APPLIED ETHICS

## Objectives

- After reading this program, the student should be able to:
  1. Define the terms ethics and morals, and discuss philosophical and moral issues.
  2. Discuss systems of moral reasoning as they have developed throughout history.
  3. Explain a variety of ethical theories and determine how they apply to personal and professional situations.

## Introduction to Ethics

In the last decade, you are in the midst of a global ethical landscape that is both highly challenging and "interconnected." Advances in science, technology, and global communication make it difficult for leaders to ignore the important ethical issues in the world, and these issues are becoming more and more complex. As our professional and personal lives become more challenging, we need to understand how to apply ethical theories and principles to these issues and the diverse components of ethics.

Ethical decisions are not always clearly visible, and people often struggle with them when it is right and wrong. There is a need for every person to be able
