Yehuda Berg comes a thought provoking call to action on our current global crisis. Positing that our collective abdication of responsibility in every facet of our lives including business and the economy, the environment, government and politics, healthcare, education and religion has contributed to the problems and challenges we face, Berg asserts that taking responsibility for our actions or lack thereof and their consequences is the key to achieving change for the better. Berg urges readers to access the power within each of us using the principles of Kabbalah in order to create the consciousness shift required for lasting positive change.
